Presenting Apprenticeship as a Workforce Solution

Company Statement #1

I need to hire 10 operators a month to keep up with production.

Company Statement #2

I'm sending my employees to XYZ for training but they don't come back 100% productive.

Company Statement #3

We want to grow our business but can't bid on projects unless we know we will have qualified employees to fill orders.

Company Statement #4

Forty-five percent of our workforce is at or above retirement age.
