0:11:24.640 --> 0:11:25.70
Phillips, Ashley P – ETA CTR
Awesome.

0:11:27.800 --> 0:11:32.690
Phillips, Ashley P – ETA CTR
And again, since we started the recording, your cameras are off and you are currently muted.

0:11:33.120 --> 0:11:44.380
Phillips, Ashley P – ETA CTR
However, if you agree to being recorded at this time, you may turn on your camera or unmute yourself, at which time the agreement prompt will pop up on your screen and you can either accept or decline.

0:11:44.840 --> 0:11:55.540
Phillips, Ashley P – ETA CTR
So we'll give you all the moment to do that and then we do ask that once you unmute yourselves to agree to being recorded, we ask that you re-mute yourselves to ensure a seamless process for everyone.

0:11:56.750 --> 0:11:58.430
Phillips, Ashley P – ETA CTR
But we'll just give you a few seconds.

0:12:9.990 --> 0:12:10.580
Phillips, Ashley P – ETA CTR
Awesome.

0:12:10.630 --> 0:12:11.840
Phillips, Ashley P – ETA CTR
Thank you so much.

0:12:11.850 --> 0:12:12.940
Phillips, Ashley P – ETA CTR
Thank you for listening.

0:12:12.950 --> 0:12:17.600
Phillips, Ashley P – ETA CTR
And I'm gonna pass this over to Toni Wilson to take us away.

0:12:18.10 --> 0:12:19.530
Wilson, Toni K - SCSEP
Alright, thank you so much, Ashley.

0:12:19.790 --> 0:12:20.490
Wilson, Toni K - SCSEP
Great job.

0:12:33.480 --> 0:12:34.300
Barcley, Joyce M - ETA CTR
Toni, you're muted.

0:12:48.160 --> 0:12:48.930
Adams, Anita (Irene) - ETA
Toni.

0:12:49.400 --> 0:12:51.620
Adams, Anita (Irene) - ETA
Toni, you're talking, and we can't hear you.

0:12:54.790 --> 0:12:58.720
Mauro, Kevin M - ETA CTR
The conference line needs to accept the recording.

0:13:0.700 --> 0:13:1.0
Grant-McGary, Sondra D - ETA
Ohh.

0:13:14.770 --> 0:13:16.630
Wilson, Toni K - SCSEP
We're working on that.

0:14:9.620 --> 0:14:11.960
Wilson, Toni K - SCSEP
Alright everyone.

0:14:11.970 --> 0:14:13.450
Wilson, Toni K - SCSEP
You try something different.

0:14:13.460 --> 0:14:15.330
Wilson, Toni K - SCSEP
We're just having a little technical difficulty.

0:14:15.400 --> 0:14:16.300
Wilson, Toni K - SCSEP
Can you guys hear me, OK?

0:14:18.160 --> 0:14:18.260
Barcley, Joyce M - ETA CTR
Yes.

0:14:18.300 --> 0:14:19.680
Wilson, Toni K - SCSEP
Can I get a thumbs?

0:14:20.10 --> 0:14:20.150
Barcley, Joyce M - ETA CTR
Yes.

0:14:19.690 --> 0:14:20.190
Wilson, Toni K - SCSEP
There we go.

0:14:19.150 --> 0:14:20.990
Adams, Anita (Irene) - ETA
Yes, yes, yeah.

0:14:20.200 --> 0:14:21.170
Wilson, Toni K - SCSEP
I see some thumbs up.

0:14:21.180 --> 0:14:25.530
Wilson, Toni K - SCSEP
Alright, you know, always have the tech issue, but we keep trying.

0:14:25.540 --> 0:14:28.880
Wilson, Toni K - SCSEP
We'll keep trying to make it work, so hopefully everyone can hear me.

0:14:29.80 --> 0:14:37.330
Wilson, Toni K - SCSEP
If you're not able to just put something into the chat so I have a visual that's something's going on, but otherwise I will move forward.

0:14:37.980 --> 0:14:40.910
Wilson, Toni K - SCSEP
So as I said, I know I see a lot of great faces out there.

0:14:40.920 --> 0:14:44.230
Wilson, Toni K - SCSEP
I appreciate those that choose to be on camera.

0:14:44.440 --> 0:14:46.800
Wilson, Toni K - SCSEP
It's OK if you do not, but it's great to see the faces.

0:14:48.610 --> 0:14:53.70
Wilson, Toni K - SCSEP
Once again, my name is Toni Wilson, and I am the SCSEP unit chief.

0:14:53.150 --> 0:14:57.390
Wilson, Toni K - SCSEP
I know that we have some of our grantees are in.

0:14:58.780 --> 0:15:6.690
Wilson, Toni K - SCSEP
DC today for the Center for Workforce Inclusions Equity Summit was yesterday.

0:15:6.940 --> 0:15:8.890
Wilson, Toni K - SCSEP
I put a link in the chat.

0:15:8.900 --> 0:15:12.610
Wilson, Toni K - SCSEP
There was some great conversations around older workers.

0:15:13.140 --> 0:15:25.310
Wilson, Toni K - SCSEP
I would encourage you to listen to some of those, some great stuff in reference to kind of the state of older workers, some great discussions around diversity, equity, inclusion and access.

0:15:25.420 --> 0:15:27.120
Wilson, Toni K - SCSEP
There was even one around.

0:15:27.720 --> 0:15:30.750
Wilson, Toni K - SCSEP
AI and just uh, some great discussions.

0:15:30.760 --> 0:15:33.910
Wilson, Toni K - SCSEP
It wasn't a SCSEP one, but it was focused on the work that we do.

0:15:34.100 --> 0:15:41.10
Wilson, Toni K - SCSEP
Older workers so shout out to that group and the work that they've done, and the link is in there.

0:15:41.220 --> 0:15:55.210
Wilson, Toni K - SCSEP
And once again, I encourage all grantees that if you guys have trainings or a graduation or things that you would love our NOLs to participate in, be it virtually and even possibly traveling.

0:15:55.220 --> 0:15:56.450
Wilson, Toni K - SCSEP
You know, please let us know.

0:15:56.800 --> 0:15:57.740
Wilson, Toni K - SCSEP
We'd love to attend.

0:15:57.990 --> 0:16:3.460
Wilson, Toni K - SCSEP
It helps us learn and as I said, that's the great thing about with teams with the faces.

0:16:3.710 --> 0:16:9.260
Wilson, Toni K - SCSEP
I was able to walk into the room and immediately go up to various people.

0:16:9.270 --> 0:16:18.370
Wilson, Toni K - SCSEP
I don't know if Josh is in the room, but I gave him a big hug thanking him for all the GPMS feedback and same with and I got to see you was very good to see.

0:16:18.380 --> 0:16:19.390
Wilson, Toni K - SCSEP
Some faces.

0:16:19.400 --> 0:16:23.700
Wilson, Toni K - SCSEP
It's just great, great group of SCSEP team members.

0:16:23.710 --> 0:16:26.660
Wilson, Toni K - SCSEP
So thank you to everyone that's out there in the great work that you did.

0:16:28.80 --> 0:16:38.610
Wilson, Toni K - SCSEP
Alright, so if there are no questions, we actually have some uh guest speakers today, from ticket to work which we're going to do for the second part.

0:16:45.480 --> 0:16:49.710
Wilson, Toni K - SCSEP
But first we just wanna get some of our business out the way and then we'll move forward.

0:16:49.720 --> 0:16:55.330
Wilson, Toni K - SCSEP
So I'll do that introduction in a minute, but first let's just do some introductions.

0:16:55.480 --> 0:16:56.870
Wilson, Toni K - SCSEP
So I've already introduced myself.

0:16:56.880 --> 0:17:3.970
Wilson, Toni K - SCSEP
We're going to start in the room and then we will identify who we have from the national and contract team.

0:17:4.60 --> 0:17:5.320
Wilson, Toni K - SCSEP
So in the room we have.

0:17:5.350 --> 0:17:12.930
Kline, Byron - ETA
Hi, this is Byron Kline, National office liaison for region 3

0:17:12.410 --> 0:17:13.440
Phillips, Ashley P – ETA CTR
And hello everyone.

0:17:13.450 --> 0:17:14.560
Phillips, Ashley P – ETA CTR
You heard from me already.

0:17:14.570 --> 0:17:20.30
Phillips, Ashley P – ETA CTR
My name is Ashley, with TwoTech, and to my other NOLs that are out there on teams.

0:17:20.920 --> 0:17:22.380
Adams, Anita (Irene) - ETA
We're gonna do this alphabetically.

0:17:22.430 --> 0:17:23.490
Wilson, Toni K - SCSEP
You're on mute, Irene.

0:17:24.220 --> 0:17:26.240
Adams, Anita (Irene) - ETA
No, no, not good.

0:17:27.950 --> 0:17:28.880
Wilson, Toni K - SCSEP
Is still on mute.

0:17:27.430 --> 0:17:30.180
Adams, Anita (Irene) - ETA
Can anyone can no one can hear me.

0:17:30.580 --> 0:17:31.120
Wilson, Toni K - SCSEP
You can hear.

0:17:31.150 --> 0:17:32.250
Mauro, Kevin M - ETA CTR
I can hear you, Irene.

0:17:32.200 --> 0:17:32.840
Ron Schack
I think I hear you.

0:17:31.130 --> 0:17:33.50
Wilson, Toni K - SCSEP
Ohh, OK, we can hear you.

0:17:32.500 --> 0:17:34.450
Wilson, Toni K - SCSEP
Alright, so it sounds like others can hear you.

0:17:34.460 --> 0:17:35.310
Wilson, Toni K - SCSEP
I just can't hear you.

0:17:35.320 --> 0:17:36.520
Wilson, Toni K - SCSEP
I'm not sure what's happening there.

0:17:38.40 --> 0:17:38.580
Adams, Anita (Irene) - ETA
Thank you.

0:17:39.50 --> 0:17:42.280
Adams, Anita (Irene) - ETA
Good afternoon, everyone.

0:17:42.290 --> 0:17:43.840
Adams, Anita (Irene) - ETA
Happy fall to you.

0:17:44.130 --> 0:17:49.100
Adams, Anita (Irene) - ETA
This is Irene Adams, and I am the NOL for regions one and five.

0:17:52.500 --> 0:17:52.880
Wilson, Toni K - SCSEP
Alright.

0:17:52.990 --> 0:17:54.580
Grant-McGary, Sondra D - ETA
Hey, good afternoon, everybody.

0:17:54.590 --> 0:17:55.410
Grant-McGary, Sondra D - ETA
I'm Sondra.

0:17:55.420 --> 0:18:3.130
Grant-McGary, Sondra D - ETA
Grant-McGary and I am the NOL for Region 6, the interim NOL for region 2, and glad to see everybody.

0:18:5.690 --> 0:18:7.420
Slaughter, Alison S - ETA
Good afternoon, everyone.

0:18:7.430 --> 0:18:8.900
Slaughter, Alison S - ETA
This is Ali slaughter.

0:18:8.910 --> 0:18:13.110
Slaughter, Alison S - ETA
I am the SCSEP performance lead and the interim NOL for region 4.

0:18:16.380 --> 0:18:17.150
Wilson, Toni K - SCSEP
All right.

0:18:17.260 --> 0:18:24.100
Wilson, Toni K - SCSEP
And if we can do, uh, who do we have on our line from our BCT contract?

0:18:27.960 --> 0:18:29.20
Tina Ward
Good afternoon, everyone.

0:18:29.30 --> 0:18:30.390
Tina Ward
This is Tina Ward with BCT.

0:18:31.410 --> 0:18:32.270
Wilson, Toni K - SCSEP
Hi Tina.

0:18:32.750 --> 0:18:35.120
Wilson, Toni K - SCSEP
Anyone else charter oaks?

0:18:36.100 --> 0:18:36.800
Ron Schack
Hi everyone.

0:18:36.810 --> 0:18:38.730
Ron Schack
It's Ron Schack from the Charter Oak group.

0:18:39.570 --> 0:18:43.220
Wilson, Toni K - SCSEP
Alright and then TwoTech.

0:18:44.630 --> 0:18:45.680
Barcley, Joyce M - ETA CTR
Good afternoon, everyone.

0:18:45.690 --> 0:18:47.10
Barcley, Joyce M - ETA CTR
It's Joyce Barcley with TwoTech.

0:18:49.110 --> 0:18:51.760
Bronson, Bradley K - ETA CTR
Hello everyone, this is Bradley Bronson with two tech.

0:18:53.100 --> 0:18:53.500
Wilson, Toni K - SCSEP
Bradley.

0:18:54.670 --> 0:18:55.540
Mauro, Kevin M - ETA CTR
Hello everyone.

0:18:55.550 --> 0:18:56.640
Mauro, Kevin M - ETA CTR
This is Kevin Mauro.

0:18:56.650 --> 0:18:57.780
Mauro, Kevin M - ETA CTR
I'm also with two tech.

0:19:0.910 --> 0:19:5.240
McNeace, Meche - ETA CTR
Everybody, this is Michi with two tech and that's it for our team.

0:19:5.250 --> 0:19:6.930
McNeace, Meche - ETA CTR
Ashley, you already went before us.

0:19:7.470 --> 0:19:9.10
Wilson, Toni K - SCSEP
Alright, thank you so much.

0:19:9.20 --> 0:19:9.810
Wilson, Toni K - SCSEP
I appreciate it.

0:19:10.170 --> 0:19:15.870
Wilson, Toni K - SCSEP
Hopefully everybody got to kind of see faces with names cause it’s a great team here.

0:19:15.910 --> 0:19:23.760
Wilson, Toni K - SCSEP
I just want to make sure everybody starts connecting them, the faces alright, just in reference to some of the program updates.

0:19:24.120 --> 0:19:26.810
Wilson, Toni K - SCSEP
We don't have too much to report.

0:19:26.820 --> 0:19:32.440
Wilson, Toni K - SCSEP
I've already let you know and reference to just reminding people of any events and things that you may have.

0:19:32.870 --> 0:19:39.890
Wilson, Toni K - SCSEP
We are working, hopefully not hopefully, but you know the plan is for the winter.

0:19:40.260 --> 0:19:50.950
Wilson, Toni K - SCSEP
For FOA to come out, so as you usually do, just make sure that you're on grants.gov to get specific dates and things around that information.

0:19:51.860 --> 0:19:56.870
Wilson, Toni K - SCSEP
Uh, we are also working on a few uh policy.

0:19:56.920 --> 0:19:57.830
Wilson, Toni K - SCSEP
Uh, TEGLs

0:19:58.240 --> 0:20:7.140
Wilson, Toni K - SCSEP
And we're kind of working behind the scenes right now, so I'll have some more information in reference to that next grant call.

0:20:8.280 --> 0:20:12.640
Wilson, Toni K - SCSEP
And in reference to GPMS, there will be.

0:20:12.750 --> 0:20:22.620
Wilson, Toni K - SCSEP
We'll have some specific updates, but I did want to note that how we're definitely hearing you and we are doing our best to make sure that the system is fully stabilized.

0:20:22.630 --> 0:20:30.480
Wilson, Toni K - SCSEP
And so we are looking at these next two releases to make sure that that is occurring before we move forward.

0:20:30.490 --> 0:20:37.820
Wilson, Toni K - SCSEP
So we'll be sending out an email of what all of that is involved, but I just wanted to let people know that, you know, we are working behind the scenes.

0:20:38.310 --> 0:20:42.280
Wilson, Toni K - SCSEP
I'll try to make sure that this is a fully stabilized.

0:20:42.420 --> 0:20:45.690
Wilson, Toni K - SCSEP
So just wanted to note that piece of information.

0:20:46.620 --> 0:20:52.620
Wilson, Toni K - SCSEP
Umm, I think those are kind of the main pieces am I missing anything.

0:20:52.630 --> 0:20:59.420
Wilson, Toni K - SCSEP
If not, I'm gonna actually first pass it over to GPMS for any GPMS updates.

0:21:3.250 --> 0:21:15.820
Slaughter, Alison S - ETA
Before Tina jumps into some specific updates, I just wanted to mention that an invitation went out for the equitable distribution webinar that will be held on Tuesday, October 31st.

0:21:15.990 --> 0:21:25.440
Slaughter, Alison S - ETA
I will add that link to the chat in a minute and that webinar will include some demonstration of the function in GPMS.

0:21:25.650 --> 0:21:27.620
Slaughter, Alison S - ETA
So we look forward to seeing you all there.

0:21:27.670 --> 0:21:33.330
Slaughter, Alison S - ETA
And now I will throw it to Byron actually to give an update on the newsletter.

0:21:35.260 --> 0:21:35.840
Kline, Byron - ETA
Thanks Ali.

0:21:36.910 --> 0:21:53.380
Kline, Byron - ETA
So the October edition of the GPMS newsletter is out in this latest issue of the spotlight is on the upcoming equitable distribution webinar and included in the newsletter is a link to register for that event.

0:21:54.390 --> 0:22:3.210
Kline, Byron - ETA
Please note, as always that the newsletter and much more can be found on the older workers community of practice page.

0:22:3.650 --> 0:22:4.70
Kline, Byron - ETA
That's it.

0:22:5.800 --> 0:22:7.220
Wilson, Toni K - SCSEP
Sounds good.

0:22:13.300 --> 0:22:14.910
McNeace, Meche - ETA CTR
So, Toni, Toni.

0:22:8.240 --> 0:22:16.270
Wilson, Toni K - SCSEP
Still figuring out all the still figuring out the tech here, and I think you have to put it on mute so I can talk.

0:22:15.420 --> 0:22:21.470
McNeace, Meche - ETA CTR
Yeah, what'll happen since you guys are in the conference, if they're in the conference room, there's one mic that's already on.

0:22:21.480 --> 0:22:27.40
McNeace, Meche - ETA CTR
Right, Ashley, if they are mute their selves from their camera will cause the echoey feedback.

0:22:27.610 --> 0:22:27.820
Wilson, Toni K - SCSEP
Yeah.

0:22:27.830 --> 0:22:30.380
Wilson, Toni K - SCSEP
We're quickly figuring it out there with you but thank you.

0:22:30.220 --> 0:22:31.460
McNeace, Meche - ETA CTR
OK, OK.

0:22:30.390 --> 0:22:35.700
Wilson, Toni K - SCSEP
So uh, I'm trying to so I hopefully everyone can hear us, and I think we're good there.

0:22:35.710 --> 0:22:36.60
Wilson, Toni K - SCSEP
Yeah.

0:22:36.350 --> 0:22:39.40
Wilson, Toni K - SCSEP
Alright, so I think those are, Irene.

0:22:39.50 --> 0:22:42.590
Wilson, Toni K - SCSEP
Was there anything that you wanted to add that I didn't touch base on?

0:22:48.950 --> 0:22:49.460
Adams, Anita (Irene) - ETA
Toni.

0:22:47.720 --> 0:22:50.0
Wilson, Toni K - SCSEP
Now there.

0:22:49.470 --> 0:22:50.360
Adams, Anita (Irene) - ETA
Toni, you're good.

0:22:50.370 --> 0:22:51.230
Adams, Anita (Irene) - ETA
Thank you so much.

0:22:51.820 --> 0:22:52.190
Wilson, Toni K - SCSEP
All right.

0:22:52.200 --> 0:22:52.790
Wilson, Toni K - SCSEP
No, no problem.

0:22:52.800 --> 0:22:53.790
Wilson, Toni K - SCSEP
Just wanted to make sure.

0:22:54.240 --> 0:22:54.570
Wilson, Toni K - SCSEP
Alright.

0:22:54.580 --> 0:23:4.240
Wilson, Toni K - SCSEP
Well, we wanted to spend and will allow for Q&A at the end, but I wanted to take an opportunity to introduce our guest speaker.

0:23:5.70 --> 0:23:11.820
Wilson, Toni K - SCSEP
This is Ticket to Work and some of you may be familiar with some of the faces.

0:23:12.50 --> 0:23:24.270
Wilson, Toni K - SCSEP
We have a Lamia Chapman and some of you may know her from a previous life with SCSEP and I have the luxury of still getting to see her in the halls and work with her on various projects.

0:23:25.760 --> 0:23:27.430
Wilson, Toni K - SCSEP
And pick your brain on a few things.

0:23:27.440 --> 0:23:28.290
Wilson, Toni K - SCSEP
As you can imagine.

0:23:28.300 --> 0:23:31.610
Wilson, Toni K - SCSEP
So I'm so glad to be able to partner you partner with you on something.

0:23:31.700 --> 0:23:32.230
Wilson, Toni K - SCSEP
Lamia.

0:23:32.240 --> 0:23:38.550
Wilson, Toni K - SCSEP
But she is the supervisor workforce analyst for OWI here at ETA.

0:23:38.880 --> 0:23:44.570
Wilson, Toni K - SCSEP
And then we have and just have to be able to see, but we have Ben Cheriyan.

0:23:45.20 --> 0:23:47.350
Wilson, Toni K - SCSEP
And Ben, if you're there, if you can just give a wave.

0:23:47.360 --> 0:23:48.230
Wilson, Toni K - SCSEP
So we can visually.

0:23:49.540 --> 0:23:49.680
Cheriyan, Ben - ODEP
Hello.

0:23:50.290 --> 0:23:50.880
Wilson, Toni K - SCSEP
There you are.

0:23:50.890 --> 0:23:51.580
Wilson, Toni K - SCSEP
Hi Ben.

0:23:52.190 --> 0:24:2.640
Wilson, Toni K - SCSEP
Ben is a policy advisor for the workforce systems policy team, and he is with the Office of Disability Employment Policy here at DOL.

0:24:3.330 --> 0:24:10.540
Wilson, Toni K - SCSEP
We also have Ann Lewandowski and did I get it right.

0:24:10.550 --> 0:24:11.860
Wilson, Toni K - SCSEP
We were practicing beforehand.

0:24:11.870 --> 0:24:12.840
Wilson, Toni K - SCSEP
I hope I didn't butcher it.

0:24:13.880 --> 0:24:15.410
Ann Lewandowski [CTR]
Close Lewandowski.

0:24:15.460 --> 0:24:16.240
Ann Lewandowski [CTR]
It's great to be here.

0:24:15.700 --> 0:24:16.510
Wilson, Toni K - SCSEP
Thank you.

0:24:16.840 --> 0:24:17.970
Wilson, Toni K - SCSEP
Thank you for correcting.

0:24:17.980 --> 0:24:19.50
Wilson, Toni K - SCSEP
I apologize.

0:24:19.60 --> 0:24:19.850
Wilson, Toni K - SCSEP
Welcome.

0:24:19.860 --> 0:24:38.830
Wilson, Toni K - SCSEP
Ann and Ann is the senior Ian recruitment and support specialist and she is the ticket to work program manager for the Social Security ticket to work program and then last but definitely not least, we have Tammy Liddicoat.

0:24:39.210 --> 0:24:39.960
Tamara Liddicoat [CTR]
You got it.

0:24:39.300 --> 0:24:40.420
Wilson, Toni K - SCSEP
Tammy, did I get it right?

0:24:40.170 --> 0:24:42.40
Tamara Liddicoat [CTR]
I you did very good.

0:24:40.780 --> 0:24:43.290
Wilson, Toni K - SCSEP
Ah, alright, Tammy welcome.

0:24:43.300 --> 0:24:51.130
Wilson, Toni K - SCSEP
And Tammy is a partner relations manager with the ticket to work program manager for the Social Security's ticket to work program.

0:24:51.300 --> 0:24:55.870
Wilson, Toni K - SCSEP
So I'm gonna hand it over this team that's gonna give us a little bit of an overview.

0:24:56.120 --> 0:24:57.490
Wilson, Toni K - SCSEP
The point is, we wanted to kind.

0:24:57.500 --> 0:25:12.50
Wilson, Toni K - SCSEP
I know many of you are familiar with ticket to work, but we wanted to kind of remind and highlight this is a resource that can be used, as I know, many have been struggling in reference to enrollment issues and things of that sort.

0:25:12.60 --> 0:25:15.360
Wilson, Toni K - SCSEP
And this is just a reminder of this being a great opportunity.

0:25:15.830 --> 0:25:19.280
Wilson, Toni K - SCSEP
And so I will pass it over to you.

0:25:19.290 --> 0:25:22.0
Wilson, Toni K - SCSEP
LaMia and your team to give us that presentation.

0:25:22.170 --> 0:25:22.530
Wilson, Toni K - SCSEP
Thank you.

0:25:27.730 --> 0:25:27.990
Wilson, Toni K - SCSEP
Yeah.

0:25:26.950 --> 0:25:28.880
Tamara Liddicoat [CTR]
And hi, this is Tammy Liddicoat umm.

0:25:28.890 --> 0:25:29.680
Tamara Liddicoat [CTR]
Ann did you?

0:25:29.830 --> 0:25:31.480
Tamara Liddicoat [CTR]
Do you have the presentation?

0:25:31.550 --> 0:25:32.360
Tamara Liddicoat [CTR]
There it is.

0:25:32.810 --> 0:25:33.10
Chapman, LaMia - ETA
Ah.

0:25:32.450 --> 0:25:33.210
Tamara Liddicoat [CTR]
Thank you so much.

0:25:34.330 --> 0:25:35.940
Tamara Liddicoat [CTR]
So I'll start and listen.

0:25:35.950 --> 0:25:40.360
Tamara Liddicoat [CTR]
Let me, unless you wanted to, had any kind of introductory remarks, you wanted to make.

0:25:41.570 --> 0:25:42.420
Chapman, LaMia - ETA
No, I didn't.

0:25:42.430 --> 0:25:47.740
Chapman, LaMia - ETA
I was on mute when I was talking, but thank you, Toni, for your introduction and thank you.

0:25:47.750 --> 0:25:50.660
Chapman, LaMia - ETA
SCSEP community, family.

0:25:51.390 --> 0:25:52.980
Chapman, LaMia - ETA
You’re great.

0:25:53.70 --> 0:25:53.870
Chapman, LaMia - ETA
You can start.

0:25:54.510 --> 0:25:55.680
Tamara Liddicoat [CTR]
OK, thanks.

0:25:55.690 --> 0:25:56.310
Tamara Liddicoat [CTR]
LaMia.

0:25:56.430 --> 0:25:59.600
Tamara Liddicoat [CTR]
So good afternoon, everyone and thank you.

0:25:59.670 --> 0:26:6.280
Tamara Liddicoat [CTR]
We thank you, Toni, and your entire team for inviting us to share some information today about the ticket to work program.

0:26:7.290 --> 0:26:8.950
Tamara Liddicoat [CTR]
As Toni mentioned, I'm Tammy Liddicoat.

0:26:8.960 --> 0:26:10.640
Tamara Liddicoat [CTR]
I'm the partner relations manager.

0:26:10.650 --> 0:26:15.670
Tamara Liddicoat [CTR]
I work very closely with Ann Lewandowski, who is our EN, our senior EN recruitment.

0:26:15.860 --> 0:26:19.860
Tamara Liddicoat [CTR]
Employment network recruitment and support specialist.

0:26:20.600 --> 0:26:23.690
Tamara Liddicoat [CTR]
We are really pleased to be here and on behalf of Social Security.

0:26:23.700 --> 0:26:24.550
Tamara Liddicoat [CTR]
Thank you.

0:26:25.500 --> 0:26:27.620
Tamara Liddicoat [CTR]
We're super excited to talk to you all.

0:26:30.30 --> 0:26:31.850
Tamara Liddicoat [CTR]
And if you want to go to the next slide, please.

0:26:35.310 --> 0:26:37.500
Tamara Liddicoat [CTR]
This is just This Is Us.

0:26:37.590 --> 0:26:40.980
Tamara Liddicoat [CTR]
We have our email addresses there for you.

0:26:40.990 --> 0:26:50.520
Tamara Liddicoat [CTR]
If you would like to get in touch with us later again, I just wanted to call out LaMia Chapman and Ben Cheriyan from the Department of Labor.

0:26:50.570 --> 0:26:54.980
Tamara Liddicoat [CTR]
We work very closely with them too for many years.

0:26:54.990 --> 0:26:58.630
Tamara Liddicoat [CTR]
We've to provide resources to work for US agencies and their grantees.

0:26:58.640 --> 0:27:1.200
Tamara Liddicoat [CTR]
Looking to expand services to individuals with disabilities.

0:27:3.520 --> 0:27:7.450
Tamara Liddicoat [CTR]
Let me, I thought you would be you all would be a really great audience for us.

0:27:7.460 --> 0:27:9.770
Tamara Liddicoat [CTR]
And so that's what one of the reasons we're here.

0:27:11.20 --> 0:27:11.790
Tamara Liddicoat [CTR]
Next slide please.

0:27:14.690 --> 0:27:23.720
Tamara Liddicoat [CTR]
So this is our agenda, but before we get started, I know Toni did mention we're going to have questions at the end, so we'd appreciate it if you hold off questions in the chat till the end too.

0:27:24.450 --> 0:27:27.270
Tamara Liddicoat [CTR]
I can't talk and chew bubble gum at the same time and answer questions.

0:27:27.280 --> 0:27:46.750
Tamara Liddicoat [CTR]
So or we can so we'd appreciate that one thing we would like to know though, if you would want to use the chat is if you know anything about the ticket to work program or you have any experience at all with it, if you do just put a yes or a thumbs up or something in the chat and if you want to add a comment, that'd be fine too.

0:27:48.420 --> 0:27:49.220
Tamara Liddicoat [CTR]
OK, I'm seeing.

0:27:49.260 --> 0:27:49.830
Tamara Liddicoat [CTR]
Oh, I see.

0:27:49.880 --> 0:27:51.90
Tamara Liddicoat [CTR]
I see one heart.

0:27:51.660 --> 0:27:58.110
Tamara Liddicoat [CTR]
That's good, but if you know if you have heard of the ticket program, we hope the experience has been a positive one.

0:27:58.480 --> 0:28:2.330
Tamara Liddicoat [CTR]
We're hoping to peak a little bit of interest today and there you go.

0:28:2.340 --> 0:28:4.280
Tamara Liddicoat [CTR]
Easter Seals has been in an EN since 2000.

0:28:4.290 --> 0:28:5.670
Tamara Liddicoat [CTR]
That's a long time long.

0:28:5.680 --> 0:28:6.900
Tamara Liddicoat [CTR]
That's the start of the program.

0:28:8.690 --> 0:28:16.140
Tamara Liddicoat [CTR]
So anyway, what we're gonna do today is just briefly touch on things and we're going to talk a little bit about the program.

0:28:16.370 --> 0:28:20.780
Tamara Liddicoat [CTR]
We're gonna talk about how we see, you know, SCSEP and the ticket program, how they align.

0:28:21.290 --> 0:28:25.880
Tamara Liddicoat [CTR]
We're going to talk about employment networks, which are the service providers.

0:28:25.890 --> 0:28:29.400
Tamara Liddicoat [CTR]
Under the program and we're going to talk a little bit about why.

0:28:29.670 --> 0:28:30.20
Tamara Liddicoat [CTR]
Why?

0:28:30.30 --> 0:28:34.970
Tamara Liddicoat [CTR]
Consider becoming an EN, and at the very end, we're gonna give you some resources on how to get started.

0:28:36.290 --> 0:28:39.10
Tamara Liddicoat [CTR]
Hey, you can move on next slide.

0:28:40.260 --> 0:28:43.200
Tamara Liddicoat [CTR]
Oh, now I'm going to hand it over to Ann, and she's going to talk about the program.

0:28:45.870 --> 0:28:46.170
Ann Lewandowski [CTR]
Yeah.

0:28:47.190 --> 0:28:47.740
Ann Lewandowski [CTR]
Thank you.

0:28:47.750 --> 0:28:49.80
Ann Lewandowski [CTR]
Thank you for having us.

0:28:49.140 --> 0:29:4.360
Ann Lewandowski [CTR]
And so we're just gonna start with what is social security's ticket to work program and is it free and voluntary program for people 18 to 64 receiving Social Security disability insurance, SSDI or Supplemental Security Income.

0:29:4.370 --> 0:29:11.420
Ann Lewandowski [CTR]
SSI benefits. The program aims to help individuals achieve financial independence by securing full time employment.

0:29:11.430 --> 0:29:28.720
Ann Lewandowski [CTR]
And no longer relying on disability benefits, but partnering, participating in the ticket program, and using work incentives, ticket holders can maintain benefits for a period of time while they test their ability to work or continue working, allowing them to gradually become self-sufficient.

0:29:30.720 --> 0:29:31.300
Ann Lewandowski [CTR]
Bear with me.

0:29:31.310 --> 0:29:31.970
Ann Lewandowski [CTR]
I'm in charge of.

0:29:32.20 --> 0:29:35.760
Ann Lewandowski [CTR]
I'm trying to do 2 things so gets my next slide.

0:29:35.770 --> 0:29:36.430
Ann Lewandowski [CTR]
There we go.

0:29:37.140 --> 0:29:40.450
Ann Lewandowski [CTR]
So who are the key stakeholders in the ticket to work program?

0:29:42.700 --> 0:29:44.270
Ann Lewandowski [CTR]
First, we have the ticket holder.

0:29:44.690 --> 0:29:53.40
Ann Lewandowski [CTR]
The ticket holder is an individual who holds the ticket and actively participates in the program to pursue full-time employment and become self-sufficient.

0:29:53.400 --> 0:29:58.890
Ann Lewandowski [CTR]
In this presentation, we will refer to the beneficiary as the ticket holder.

0:30:3.260 --> 0:30:12.740
Ann Lewandowski [CTR]
Social Security Administration is responsible for administering the ticket to work program and providing beneficiaries with access to free employment support services.

0:30:15.360 --> 0:30:19.610
Ann Lewandowski [CTR]
Next, we have the employment network, which we hope you all will consider becoming one.

0:30:19.800 --> 0:30:27.220
Ann Lewandowski [CTR]
These are the private or public organizations that contract with SSA to provide employment support services to ticket holders.

0:30:31.440 --> 0:30:39.690
Ann Lewandowski [CTR]
We have state, vocational rehabilitation, VR agencies, they are automatic approved service providers under the ticket to work program.

0:30:40.300 --> 0:30:48.380
Ann Lewandowski [CTR]
They provide vocational support services, including assessments, training, counseling, job search assistance and other employment related services.

0:30:51.870 --> 0:30:54.800
Ann Lewandowski [CTR]
Lastly, we have the ticket program manager.

0:30:54.860 --> 0:30:55.720
Ann Lewandowski [CTR]
That's us.

0:30:55.900 --> 0:31:3.700
Ann Lewandowski [CTR]
We are the federal contractors that assist the SSA in administering the to ticket to work program by managing all the daily operations and activities.

0:31:8.610 --> 0:31:12.440
Ann Lewandowski [CTR]
We do have this wonderful success story about Marty.

0:31:12.510 --> 0:31:21.380
Ann Lewandowski [CTR]
Unfortunately, we don't have time to watch it today, but Marty was a cancer survivor and a former self-employed general contractor.

0:31:22.10 --> 0:31:27.520
Ann Lewandowski [CTR]
He did become a successful project manager after participating in the ticket to work program.

0:31:28.250 --> 0:31:38.210
Ann Lewandowski [CTR]
The employment network helped him update his resume, guided him on interview strategies, and learned about the tech that he needed for the employment.

0:31:47.460 --> 0:31:58.730
Ann Lewandowski [CTR]

Older workers with disabilities constitute a significant proportion of SSDI beneficiaries, with 59% belonging to the 55 or 64 age group.

0:31:59.240 --> 0:32:12.970
Ann Lewandowski [CTR]
SCSEP is already serving this population that qualifies for the ticket to work program, making it a natural fit for SCSEP sorry grantees to become an employment network and help ticket holders achieve their goals of financial independence.

0:32:13.560 --> 0:32:25.700
Ann Lewandowski [CTR]
I do believe something was mentioned about challenges with recruitment, so this might be a natural built-in pipeline that you could develop just my own recruitment experience and many agencies it could be a real opportunity.

0:32:26.790 --> 0:32:29.380
Ann Lewandowski [CTR]
I'm gonna turn it over or back to Tammy now.

0:32:32.120 --> 0:32:32.850
Tamara Liddicoat [CTR]
Thanks, Ann.

0:32:33.200 --> 0:32:37.910
Tamara Liddicoat [CTR]
So I'm gonna talk a little bit about SCSEP services or what we know about SCSEP services.

0:32:37.920 --> 0:32:47.110
Tamara Liddicoat [CTR]
And we've been trying to do as much research as we can, but we know it's a community-based service work based job training program for older Americans.

0:32:47.860 --> 0:32:50.510
Tamara Liddicoat [CTR]
Participants work an average of 20 hours a week.

0:32:50.890 --> 0:32:53.740
Tamara Liddicoat [CTR]
They're paid the highest of federal, state, or local minimum wage.

0:32:54.580 --> 0:33:1.10
Tamara Liddicoat [CTR]
SCSEP training serves as a bridge to unsubsidized employment opportunities for participants.

0:33:2.140 --> 0:33:16.280
Tamara Liddicoat [CTR]
I also, we also just wanted to stress that we know SCSEP grantees are part of the workforce system and are automatically qualified to be service providers under the ticket program by virtue of being funded by the Department of Labor.

0:33:17.530 --> 0:33:23.320
Tamara Liddicoat [CTR]
And as just and just mentioned, likely many of your participants qualify for ticket to work.

0:33:23.800 --> 0:33:32.360
Tamara Liddicoat [CTR]
Again, 60%, practically 60% of the folks on SSDI are over age 55 to 64.

0:33:33.490 --> 0:33:34.500
Tamara Liddicoat [CTR]
So next slide please.

0:33:38.640 --> 0:33:43.610
Tamara Liddicoat [CTR]
So we kind of think that SCSEP and ticket to work programs align pretty well.

0:33:44.680 --> 0:33:50.150
Tamara Liddicoat [CTR]
One of the reasons we're talking to you today, So what do they have in common?

0:33:50.160 --> 0:33:54.290
Tamara Liddicoat [CTR]
Well, both programs are made up of public and private organizations.

0:33:54.920 --> 0:34:3.830
Tamara Liddicoat [CTR]
Both programs serve older the older worker population ticket program serve all adults, but a big proportion of the folks they serve are older adults.

0:34:5.410 --> 0:34:15.200
Tamara Liddicoat [CTR]
They prepare both programs, prepare participants to move into permanent employment, and both programs are there and the goal is to foster economic self-sufficiency.

0:34:16.820 --> 0:34:20.110
Tamara Liddicoat [CTR]
Disability is an eligibility factor.

0:34:20.200 --> 0:34:37.100
Tamara Liddicoat [CTR]
We know that by doing research about your organizations, umm, and what's great and research again, I saw your intake forms online, but you you're collecting, you know the information about those your participants on your intake form.

0:34:37.110 --> 0:34:39.520
Tamara Liddicoat [CTR]
So they're on SSI or SSDI.

0:34:40.310 --> 0:34:43.720
Tamara Liddicoat [CTR]
So you're definitely ahead of the game because you can automatically.

0:34:43.770 --> 0:34:46.980
Tamara Liddicoat [CTR]
It sounds like identify a ticket holder.

0:34:46.990 --> 0:34:50.850
Tamara Liddicoat [CTR]
You may be serving right now, and so you kind of have a built-in audience.

0:34:51.340 --> 0:34:58.930
Tamara Liddicoat [CTR]
So we think that's a, that's a pretty nice alignment with the ticket to work program, next slide.

0:35:1.880 --> 0:35:29.560
Tamara Liddicoat [CTR]
So here I want to talk about considerations for ticket to work and considerations around participants that would be eligible for the program, ideal or appropriate for the program and again emphasizing the goal of the program, which is to support individuals to reduce their dependency on their disability benefits, but also maintaining their Medicaid, Medicare that important healthcare in care, the health care insurance that they really need obviously.

0:35:30.60 --> 0:35:35.560
Tamara Liddicoat [CTR]
And so questions to consider are do you have participants who work more than 20 hours a week?

0:35:36.210 --> 0:35:40.340
Tamara Liddicoat [CTR]
Do you have participants that want to work more than 20 hours a week?

0:35:40.400 --> 0:35:51.760
Tamara Liddicoat [CTR]
If they can, and if they have the desire and the jobs are available, and then there's, you know, the other question is, do you have participants that will need to work more?

0:35:51.850 --> 0:35:54.740
Tamara Liddicoat [CTR]
Will they benefit from earning more money?

0:35:55.610 --> 0:35:57.920
Tamara Liddicoat [CTR]
Would that improve their quality of life?

0:35:58.630 --> 0:36:12.620
Tamara Liddicoat [CTR]
So you know, asking those questions, do you serve these, this type of individual and that would be, you know, again understanding whether it's the right fit, whether the program is the right fit.

0:36:12.830 --> 0:36:24.60
Tamara Liddicoat [CTR]
And another question to ask, and you probably have, you know, get these questions from participants is do they ever ask questions about how working is gonna impact their benefits, their SSI or SSDI?

0:36:25.360 --> 0:36:29.770
Tamara Liddicoat [CTR]
It is one of the biggest barriers for to employment for people with disabilities.

0:36:30.40 --> 0:36:39.970
Tamara Liddicoat [CTR]
Not knowing there are work incentives and safety Nets available to them while they try work, continue working and earning next slide.

0:36:42.220 --> 0:36:48.410
Tamara Liddicoat [CTR]
So This is why Social Security has a whole program and I saw somebody in the chat mentioned they were familiar with WIPA projects.

0:36:49.340 --> 0:36:59.790
Tamara Liddicoat [CTR]
So Social Security funds that work incentives planning and assistance program to help beneficiaries understand how working is going to impact their benefits.

0:37:0.180 --> 0:37:3.290
Tamara Liddicoat [CTR]
The WIPA projects are community-based organizations.

0:37:3.480 --> 0:37:4.870
Tamara Liddicoat [CTR]
They they're free.

0:37:4.960 --> 0:37:8.950
Tamara Liddicoat [CTR]
They they're funded by Social Security and again they are.

0:37:9.0 --> 0:37:18.250
Tamara Liddicoat [CTR]
They're there to assist beneficiaries and making informed decisions about working and supporting working beneficiaries and making successful transitions to that economics.

0:37:18.740 --> 0:37:19.270
Tamara Liddicoat [CTR]
Excuse me.

0:37:19.280 --> 0:37:20.320
Tamara Liddicoat [CTR]
Economic self-support.

0:37:21.510 --> 0:37:25.70
Tamara Liddicoat [CTR]
So WIPA projects there nationwide.

0:37:25.80 --> 0:37:30.680
Tamara Liddicoat [CTR]
They’re in every state, they're highly trained, they're certified community work incentives coordinators.

0:37:30.890 --> 0:37:49.320
Tamara Liddicoat [CTR]
They provide in depth analysis and counseling about benefits, and they can provide individual reports, written reports that can help ease a person's fears with real facts, not myths and about their own situation and all things that are applicable to them relative to the work incentives.

0:37:50.170 --> 0:37:54.790
Tamara Liddicoat [CTR]
You can find a local WIPA project by going to our fund to help tool.

0:37:54.800 --> 0:37:59.240
Tamara Liddicoat [CTR]
We're gonna add put some links in the in the chat later to some of these resources.

0:37:59.250 --> 0:38:3.880
Tamara Liddicoat [CTR]
So you have them another great resources and Social Security Redbook.

0:38:4.350 --> 0:38:7.0
Tamara Liddicoat [CTR]
It's comprehensive, very easy to read, reference.

0:38:7.10 --> 0:38:23.120
Tamara Liddicoat [CTR]
Well, it's complicated because it's about benefits, but in we're consuming, but it's fairly easy to follow and read for ticket holders gets updated every single year and explains all of the employment related provisions related to the SSI and SSDI prep programs.

0:38:24.70 --> 0:38:24.630
Tamara Liddicoat [CTR]
Next slide.

0:38:29.970 --> 0:38:31.380
Tamara Liddicoat [CTR]
So I'm just going to talk a little bit.

0:38:31.390 --> 0:38:36.450
Tamara Liddicoat [CTR]
I'm going to switch gears here and I'm going to talk about the Department of Labor and Social Security Partnerships.

0:38:37.50 --> 0:38:37.610
Tamara Liddicoat [CTR]
Umm.

0:38:38.610 --> 0:38:47.320
Tamara Liddicoat [CTR]
Department of Labor and Social Security have recognized that that when a workforce system grantee decides to act as an EN.

0:38:47.330 --> 0:38:52.130
Tamara Liddicoat [CTR]
It really does reinforce the Department of Labor's workforce Innovation and Opportunity Act.

0:38:52.140 --> 0:39:1.80
Tamara Liddicoat [CTR]
WIOA for creating a comprehensive customer focused workforce system to serve people with disabilities who receive disability benefits.

0:39:2.10 --> 0:39:11.860
Tamara Liddicoat [CTR]
We work very closely with the department, with the Department of Labor being meaning us, representing Social Security to find ways to.

0:39:14.120 --> 0:39:19.310
Tamara Liddicoat [CTR]
Find ways to spread the word about the ticket program, and again, LaMia and Ben are part of that process.

0:39:19.850 --> 0:39:29.180
Tamara Liddicoat [CTR]
And again, just stressing that the connection with workforce is that that SCSEP grantees are considered workforce system entities by the ticket program.

0:39:32.480 --> 0:39:32.910
Tamara Liddicoat [CTR]
Next slide.

0:39:37.700 --> 0:39:37.950
Ann Lewandowski [CTR]
Yep.

0:39:36.350 --> 0:39:39.30
Tamara Liddicoat [CTR]
That was back to you Ann you're going to talk about employment networks.

0:39:39.590 --> 0:39:49.980
Ann Lewandowski [CTR]
Yes, so what is an employment network? It is an entity approved through the Social Security Administration to provide or coordinate delivery of services to ticket holders.

0:39:50.470 --> 0:39:56.960
Ann Lewandowski [CTR]
Ticket holders assign their tickets to an employment network of their choice and participation in the program is voluntary.

0:39:57.570 --> 0:40:5.220
Ann Lewandowski [CTR]
This can be a single entity or a consortium of organizations collaborating to provide required services such as career planning.

0:40:5.570 --> 0:40:9.180
Ann Lewandowski [CTR]
Well, while preparing for this presentation, I learned a lot.

0:40:10.180 --> 0:40:15.650
Ann Lewandowski [CTR]
A lot of the work, it sounds like y'all are doing such as career planning.

0:40:16.340 --> 0:40:28.790
Ann Lewandowski [CTR]
I also did see that you're developing IEPs to create training plans and help participants to upskill and then placing them into work-based training, which awesome?

0:40:28.830 --> 0:40:42.540
Ann Lewandowski [CTR]
More skills and I did see which perfectly aligns with the ticket to work program that SCSEP staff provides 12 months of follow-up services to participants after they've been placed in jobs to help them maintain employment.

0:40:43.10 --> 0:40:52.990
Ann Lewandowski [CTR]
So to me, and this is just based on my research, it sounds like a lot of this work is already being done and might be a good opportunity to fold this in also.

0:40:56.280 --> 0:40:56.560
Ann Lewandowski [CTR]
Thanks.

0:40:56.570 --> 0:40:59.330
Ann Lewandowski [CTR]
We're gonna talk about the different EN models.

0:40:59.960 --> 0:41:1.710
Ann Lewandowski [CTR]
There are four EN models.

0:41:1.720 --> 0:41:5.770
Ann Lewandowski [CTR]
We have the single entity EN we call that the traditional EN.

0:41:6.60 --> 0:41:15.230
Ann Lewandowski [CTR]
We have the employer EN we have the administrative EN and this one's a mouthful, administrative EN provider affiliate.

0:41:20.60 --> 0:41:22.980
Ann Lewandowski [CTR]
Now just go into a little detail about those different models.

0:41:23.20 --> 0:41:30.600
Ann Lewandowski [CTR]
Uh, the single entity EN is a standalone organization that partners with the Social Security Administration to deliver employment services.

0:41:30.610 --> 0:41:42.380
Ann Lewandowski [CTR]
They are responsible for identifying and assigning ticket holders, creating individual employment plans, individual work plans, receiving payments and complying with reporting requirements.

0:41:42.470 --> 0:41:51.760
Ann Lewandowski [CTR]
The EN has the autonomy to develop its own program structure, service offerings, and relationships with the employers in the community.

0:41:52.990 --> 0:41:56.540
Ann Lewandowski [CTR]
Next, I'm gonna turn it back to Tammy to talk about the other two models.

0:42:0.210 --> 0:42:7.630
Tamara Liddicoat [CTR]
So I'm going to talk about administrative ENs and just discuss a little bit about how those work.

0:42:7.840 --> 0:42:17.450
Tamara Liddicoat [CTR]
So a national SCSEP entity could become an administrative EN and call him an AEN, and that EN is in is a central organization.

0:42:18.30 --> 0:42:25.80
Tamara Liddicoat [CTR]
And I'm just gonna pull out one of your national organizations and imagine that they've decided they want to become an administrative EN.

0:42:25.720 --> 0:42:30.150
Tamara Liddicoat [CTR]
So let's say Goodwill International, I believe they're one of your national organizations.

0:42:30.680 --> 0:42:34.710
Tamara Liddicoat [CTR]
Goodwill International decides they want to become an administrative EN.

0:42:34.760 --> 0:42:41.670
Tamara Liddicoat [CTR]
Well, they would perform all the administrative functions related administrative related services that they then have to do.

0:42:42.790 --> 0:42:53.20
Tamara Liddicoat [CTR]
Umm, they would then contract with state-based service providers or their agencies or local services providers to actually provide the.

0:42:53.260 --> 0:42:56.810
Tamara Liddicoat [CTR]
Excuse me to provide the actual services to the ticket holders.

0:42:58.770 --> 0:43:5.550
Tamara Liddicoat [CTR]
Those service providers are called provider affiliates and they'd be underneath that umbrella of that national organization.

0:43:6.530 --> 0:43:21.0
Tamara Liddicoat [CTR]
Umm, that central agency would have a dedicated staff person that would learn the program, perform all the administrative tasks, the reporting functions, they would be the liaison to the Social Security Administration.

0:43:21.550 --> 0:43:35.690
Tamara Liddicoat [CTR]
They would identify and assign the ticket holders, administer the payment request, receive payments, and they would ensure employment plans and you know that what we call IWPs, individual work plans comply with ticket program requirements and expectations.

0:43:37.70 --> 0:43:44.40
Tamara Liddicoat [CTR]
So basically, it's about the service providers do what they do best.

0:43:44.50 --> 0:43:51.730
Tamara Liddicoat [CTR]
They're, you know, doing boots on the ground services while the administrative end does all that reporting and paperwork and administrative work.

0:43:52.990 --> 0:44:1.940
Tamara Liddicoat [CTR]
Umm, typically that administrative in has an agreement with they’re their provider affiliates to share ticket program payments.

0:44:2.10 --> 0:44:12.340
Tamara Liddicoat [CTR]

Sometimes it's, you know, the EN might keep 25% of the dollars and 75% would go to the folks doing the services as provider affiliates.

0:44:13.190 --> 0:44:16.220
Tamara Liddicoat [CTR]
So currently we have 9 administrative ends.

0:44:16.700 --> 0:44:27.250
Tamara Liddicoat [CTR]
That cover 263 provide, with 263 provider affiliates associated with those administrative ENs.

0:44:28.60 --> 0:44:49.960
Tamara Liddicoat [CTR]
So I'm going to talk about the possibility of also becoming a provider affiliate under one of the existing and administrative ENs where it's a great way to get your feet wet in the program if you want, test it out and find out if this program is for you to join one of these current administrative ENs and provide services for them.

0:44:52.550 --> 0:45:4.590
Tamara Liddicoat [CTR]
Again, it's a great way to sort of get you get your feet wet in the program and we're going to provide a list of those administrative ends at the end of the at the end of this presentation.

0:45:5.750 --> 0:45:6.530
Tamara Liddicoat [CTR]
Okay, next slide.

0:45:9.330 --> 0:45:20.480
Tamara Liddicoat [CTR]
This is just a current EN this is a current snapshot of where EN's are now nationwide as of the end of fiscal year 22, we have 422 ENs.

0:45:20.490 --> 0:45:34.560
Tamara Liddicoat [CTR]
We have 61 workforce ENS those cumulatively, those total ENs brought in about almost $100 million of the workforce ends brought in about $5 million in ticket program income.

0:45:35.480 --> 0:45:46.230
Tamara Liddicoat [CTR]
The average revenue per year was about 77,000 per workforce EN and those workforce EN assigned about almost 5000 tickets.

0:45:47.610 --> 0:45:50.320
Tamara Liddicoat [CTR]
Did wanna talk about growth potential.

0:45:50.330 --> 0:46:1.480
Tamara Liddicoat [CTR]

Because in talking to you all we recognize there are 75 SCSEP grantees, including nineteen national organizations and 56 state or territorial units.

0:46:1.490 --> 0:46:2.600
Tamara Liddicoat [CTR]
That's what we learned.

0:46:2.990 --> 0:46:9.190
Tamara Liddicoat [CTR]
So we really hope we can pique some interest from some of these organizations today, OK.

0:46:13.760 --> 0:46:15.720
Tamara Liddicoat [CTR]
So just a few minutes on.

0:46:15.730 --> 0:46:19.230
Tamara Liddicoat [CTR]
Uh, what does it take to be a productive EN?

0:46:19.800 --> 0:46:28.430
Tamara Liddicoat [CTR]
We've learned a lot over the years about the characteristics that will help in EN succeed, and one of the big ones is jobs.

0:46:29.0 --> 0:46:45.800
Tamara Liddicoat [CTR]
Ian should be serving individuals who wanna work, become financially self-sufficient and successfully ends have direct access to employers and companies that have available jobs and services that can lead to full time work and higher earnings.

0:46:46.210 --> 0:46:51.820
Tamara Liddicoat [CTR]
So let's key characteristics that Ian should have those, umm, access to those things.

0:46:53.320 --> 0:46:56.690
Tamara Liddicoat [CTR]
As I mentioned before, disability benefits expertise is very important.

0:46:59.40 --> 0:47:2.150
Tamara Liddicoat [CTR]
Ticket holders need accurate information about their benefits.

0:47:2.510 --> 0:47:16.220
Tamara Liddicoat [CTR]
You may or may not have access to disability benefits, sorry, expertise, but you can get you can again partner or you know, refer folks to a with organization.

0:47:16.290 --> 0:47:20.940
Tamara Liddicoat [CTR]
Or if you become an even, you can get trained to become a benefits counselor by Social Security.

0:47:21.770 --> 0:47:22.980
Tamara Liddicoat [CTR]
It's excellent training.

0:47:22.990 --> 0:47:34.220
Tamara Liddicoat [CTR]
It's very comprehensive and just distress that you will be more successful in this program if you have this expertise either in House or within REACH.

0:47:36.640 --> 0:47:41.30
Tamara Liddicoat [CTR]
Readily available services is something that EN need to have.

0:47:41.40 --> 0:47:43.990
Tamara Liddicoat [CTR]
You guys are doing already doing a lot of this work.

0:47:44.0 --> 0:47:45.850
Tamara Liddicoat [CTR]
You're providing job placement services.

0:47:46.720 --> 0:47:52.900
Tamara Liddicoat [CTR]
You're targeting those older workers as your population, and you have access to all these workforce.

0:47:55.270 --> 0:47:57.320
Tamara Liddicoat [CTR]
Programs and services.

0:47:57.410 --> 0:48:1.640
Tamara Liddicoat [CTR]
Career counseling training certification on the job.

0:48:1.650 --> 0:48:18.230
Tamara Liddicoat [CTR]
Training a lot of those things and you know you and I'm just gonna talk about partner relationships from the research I've been doing, you have a lot of different kinds of partners with older, you know, older worker programs, other older worker programs, employers, community organizations.

0:48:18.640 --> 0:48:20.900
Tamara Liddicoat [CTR]
It sounds like you have a long list of partners that you work with.

0:48:22.10 --> 0:48:27.340
Tamara Liddicoat [CTR]
Umm do you want to talk about staffing for an EN?

0:48:27.350 --> 0:48:30.850
Tamara Liddicoat [CTR]
This is super important if you decide you wanna do this.

0:48:30.860 --> 0:48:38.640
Tamara Liddicoat [CTR]
You really have to designate a staff person that is going to be interested, engaged and focused and learn the program.

0:48:38.650 --> 0:48:43.880
Tamara Liddicoat [CTR]
Manage the program, but they also need leadership and support.

0:48:44.70 --> 0:48:49.830
Tamara Liddicoat [CTR]
Their bosses need to be able to set expectations, provide support and encourage that work.

0:48:49.910 --> 0:49:3.350
Tamara Liddicoat [CTR]
It's very important having that dedicated staff person, umm, engagement high performing ends are engaged with Social Security, they're engaged with us are the ticket us as the ticket program manager?

0:49:5.270 --> 0:49:6.510
Tamara Liddicoat [CTR]
They ask questions.

0:49:6.520 --> 0:49:10.280
Tamara Liddicoat [CTR]
They participate in training; they participate in technical assistance.

0:49:10.530 --> 0:49:15.510
Tamara Liddicoat [CTR]
They are engaged with other EN learning from their peers and problem solving.

0:49:16.920 --> 0:49:27.800
Tamara Liddicoat [CTR]
So anyway, these are some of the characteristics that if you've, if you're interested and if you this strikes a chord with you, we'd certainly be interested in hearing from you.

0:49:30.770 --> 0:49:31.0
Tamara Liddicoat [CTR]
OK.

0:49:31.10 --> 0:49:32.940
Tamara Liddicoat [CTR]
Next slide, I'm almost done.

0:49:35.180 --> 0:49:36.750
Tamara Liddicoat [CTR]
I should say we're almost done.

0:49:37.180 --> 0:49:38.730
Tamara Liddicoat [CTR]
So why become an EN?

0:49:39.180 --> 0:49:47.200
Tamara Liddicoat [CTR]
We really think that it might make programmatic and business sense for SCSEP agencies.

0:49:47.880 --> 0:49:50.40
Tamara Liddicoat [CTR]
You can capitalize on work you're already doing.

0:49:51.410 --> 0:50:2.900
Tamara Liddicoat [CTR]
You can get paid for a achieving successful outcomes through job placements, and I'm going employment supports ticket program payments can total over 25,000.

0:50:2.910 --> 0:50:26.460
Tamara Liddicoat [CTR]
Actually, it's more toward $30,000 per ticket holder in milestone and outcome payments for each ticket assigned, as long as that individual is continues working and meaning earnings criteria and gradually moving off of their disability, their disability benefits, we're not going to go into any nitty gritty about all the payment details.

0:50:26.470 --> 0:50:34.580
Tamara Liddicoat [CTR]
I mean, we'd be happy to talk to you about all the different kinds of payment details, but there is, you know, there's funding there to serve these individuals.

0:50:35.930 --> 0:50:47.190
Tamara Liddicoat [CTR]
And I'm just going to talk about I'm just briefly that, you know, I kind of know from experience in my previous life, I was the director of an organization in Madison, WI.

0:50:47.200 --> 0:51:5.270
Tamara Liddicoat [CTR]
I noticed a comment from someone and from Madison, WI earlier, but we provided statewide employment benefits related services to individuals with disabilities and we manage a lot of national, statewide, local, county, lots of grants and contracts, and in 2009 we decided to start an employment network.

0:51:5.280 --> 0:51:6.140
Tamara Liddicoat [CTR]
Employment network.

0:51:6.890 --> 0:51:10.340
Tamara Liddicoat [CTR]
Well, umm, it was a good idea when we did it.

0:51:10.410 --> 0:51:15.580
Tamara Liddicoat [CTR]
You know, as you know, many grant programs and contracts, grant programs end.

0:51:15.880 --> 0:51:23.820
Tamara Liddicoat [CTR]
Then you gotta recompete or find new funding and a lot of contracts sometimes stay the same for years with no funding increases.

0:51:24.270 --> 0:51:25.280
Tamara Liddicoat [CTR]
I've experienced that.

0:51:26.250 --> 0:51:29.360
Tamara Liddicoat [CTR]
But our employment network really grew and grew.

0:51:29.370 --> 0:51:34.740
Tamara Liddicoat [CTR]
We put but like I said before, we decided to put our efforts into it, and it really helped us a lot.

0:51:36.250 --> 0:51:43.810
Tamara Liddicoat [CTR]
And I can tell you from experience that you know it can really help an organization build some financial stability and sustainability.

0:51:47.700 --> 0:51:48.200
Tamara Liddicoat [CTR]
Next slide.

0:51:49.800 --> 0:52:1.240
Tamara Liddicoat [CTR]
Umm, I just wanted to talk briefly about program income we get I organizations, a lot of questions from organizations about program income and what people call double dipping.

0:52:2.430 --> 0:52:12.240
Tamara Liddicoat [CTR]
Understanding this Department of Labor developed the TEN notice which outlines the ticket funding is not considered program income, it's unrestricted dollars.

0:52:13.30 --> 0:52:20.820
Tamara Liddicoat [CTR]
You can braid the ticket program funding into your existing programs and it's discretionary.

0:52:20.830 --> 0:52:23.220
Tamara Liddicoat [CTR]
You can spend it on whatever you want, pretty much.

0:52:24.920 --> 0:52:36.150
Tamara Liddicoat [CTR]
EN's can use payments to support existing programs, expand services, develop new initiatives, or buy new equipment or technology, or just save it for a rainy day.

0:52:36.160 --> 0:52:37.290
Tamara Liddicoat [CTR]
Put it in reserves.

0:52:37.720 --> 0:52:42.400
Tamara Liddicoat [CTR]
So when those some of those grants end, you've got extra dollars.

0:52:44.180 --> 0:52:51.620
Tamara Liddicoat [CTR]
But again, if you reinvest in the program, you can serve more people successfully and you can continue to build more of that funding.

0:52:52.750 --> 0:52:58.250
Tamara Liddicoat [CTR]
So with that, I'm going to turn it back over to Ann, who's gonna just talk about how if you're interested how you can get started.

0:53:3.480 --> 0:53:21.490
Ann Lewandowski [CTR]
So yes, if you are interested in becoming an EN, the first step is to fill out the application and as previously mentioned, I believe we've mentioned it several times now, but see subgrantees are considered workforce system entities by the ticket program and are pre-qualified.

0:53:22.320 --> 0:53:41.550
Ann Lewandowski [CTR]
However, you must demonstrate that must prove workforce entity status, but that could be as simple as an MOU, a state plan, a letter from the board and that is required, but it also will help you, as you'll see the second one, the third one down business plans.

0:53:41.560 --> 0:53:46.770
Ann Lewandowski [CTR]
If you do produce that documentation, business plans are not required for workforce entities.

0:53:47.320 --> 0:54:1.980
Ann Lewandowski [CTR]

They've already been pre-qualified and in addition to that, once if you're awarded and you become an EN all staff working with the ticket holders must and you must get security clearance, call it suitability.

0:54:2.210 --> 0:54:7.820
Ann Lewandowski [CTR]
That is something at once awarded, we will help, assist and walk you through gaining that clearance.

0:54:8.550 --> 0:54:16.210
Ann Lewandowski [CTR]
And lastly, another benefit of being a workforce EN is you can receive automatic payments for ticket assignments through eBay.

0:54:23.950 --> 0:54:31.240
Ann Lewandowski [CTR]
No, these are some great links and I believe everybody's gonna have this presentation available to them or I guess we're recording it.

0:54:31.250 --> 0:54:31.690
Ann Lewandowski [CTR]
So yes.

0:54:32.330 --> 0:54:37.380
Ann Lewandowski [CTR]
However, so the first one is the application, the RFA.

0:54:38.470 --> 0:54:42.470
Ann Lewandowski [CTR]
That's what you need to submit if you want to become an employment network.

0:54:42.690 --> 0:54:50.880
Ann Lewandowski [CTR]
Also, we have our email en.recruitment@yourticketowork.ssa.gov.

0:54:51.170 --> 0:54:58.500
Ann Lewandowski [CTR]
Please feel free to email us there with any questions or if you would like a different additional information.

0:54:58.510 --> 0:55:2.280
Ann Lewandowski [CTR]
Like Tammy mentioned, we were happy to talk about the payment system.

0:55:2.760 --> 0:55:5.960
Ann Lewandowski [CTR]
We could certainly email any questions around that to that email.

0:55:6.330 --> 0:55:18.150
Ann Lewandowski [CTR]
Also, if you wanted us to speak with your staff members about what becoming an EN would mean to

them work wise or also talk to leadership about the benefits that would come with becoming an EN email us.

0:55:18.160 --> 0:55:20.450
Ann Lewandowski [CTR]
There we are available to do all of these things.

0:55:21.720 --> 0:55:25.930
Ann Lewandowski [CTR]
If you would like more information on workforce EN, there's a link right here.

0:55:25.940 --> 0:55:27.710
Ann Lewandowski [CTR]
That's great for.

0:55:28.460 --> 0:55:33.930
Ann Lewandowski [CTR]
That's on the Social Security website that would gives even more detail than what we've been able to do in this time.

0:55:34.340 --> 0:55:42.880
Ann Lewandowski [CTR]
And the last bullet point is the directory of administrative ENs that Tammy mentioned earlier there.

0:55:42.890 --> 0:55:50.730
Ann Lewandowski [CTR]
The nine ENs all their contacts and information is on there, so if you feel that you might be leaning that way, you can certainly reach out directly to them.

0:55:53.120 --> 0:55:58.330
Ann Lewandowski [CTR]
So next we're going to go to questions, and I've seen an active chat.

0:55:58.340 --> 0:56:1.180
Ann Lewandowski [CTR]
So and please.

0:56:0.410 --> 0:56:4.180
Wilson, Toni K - SCSEP
Yes, we have a full chat of Q&A.

0:56:4.190 --> 0:56:8.960
Wilson, Toni K - SCSEP
So we're gonna move to the Q&A if you haven't put your question, we're about to start that.

0:56:8.970 --> 0:56:11.600
Wilson, Toni K - SCSEP
So please add that we're gonna.

0:56:11.610 --> 0:56:13.980
Wilson, Toni K - SCSEP
I'm gonna walk through some of questions in the chat and we also.

0:56:20.860 --> 0:56:21.500
Tamara Liddicoat [CTR]
Something happened.

0:56:27.90 --> 0:56:29.10
McNeace, Meche - ETA CTR
Toni froze for a minute.

0:56:29.670 --> 0:56:30.300
Wilson, Toni K - SCSEP
All right.

0:56:30.310 --> 0:56:31.210
Wilson, Toni K - SCSEP
Can you guys see me?

0:56:31.220 --> 0:56:33.0
Wilson, Toni K - SCSEP
We're having lots of tech difficulty.

0:56:33.440 --> 0:56:33.740
McNeace, Meche - ETA CTR
Yep.

0:56:33.10 --> 0:56:35.540
Wilson, Toni K - SCSEP
Thank you so much for someone letting me use their computer.

0:56:35.550 --> 0:56:36.900
Wilson, Toni K - SCSEP
But we're gonna move to Q&A.

0:56:37.610 --> 0:56:42.360
Wilson, Toni K - SCSEP
While this does what it's going to do, but I do see that we have a hand up.

0:56:42.370 --> 0:56:44.840
Wilson, Toni K - SCSEP
So let's first start with the hands and then we'll go to the chat.

0:56:45.670 --> 0:56:47.700
Wilson, Toni K - SCSEP
So I see, I believe.

0:56:47.710 --> 0:56:48.40
Wilson, Toni K - SCSEP
Olga.

0:56:48.80 --> 0:56:48.920
Wilson, Toni K - SCSEP
Olga, do you have a question?

0:56:52.910 --> 0:56:53.810
Wilson, Toni K - SCSEP
You just unmute.

0:56:59.660 --> 0:56:59.960
Wilson, Toni K - SCSEP
Right.

0:56:59.970 --> 0:57:2.470
Wilson, Toni K - SCSEP
OK, if you wanna just give a try, just trying to unmute.

0:57:2.520 --> 0:57:4.340
Wilson, Toni K - SCSEP
If not, I'll loop back around to you.

0:57:6.830 --> 0:57:7.320
Wilson, Toni K - SCSEP
All right. OK.

0:57:7.330 --> 0:57:10.680
Wilson, Toni K - SCSEP
Well, we're gonna loop back around as you try to unmute.

0:57:10.900 --> 0:57:12.440
Wilson, Toni K - SCSEP
And so we're gonna move to the chat.

0:57:14.280 --> 0:57:19.410
Wilson, Toni K - SCSEP
Alright, so while we're doing that, I see it says is the California Department of Rehab is a EN.

0:57:23.250 --> 0:57:31.780
Tamara Liddicoat [CTR]
So if you're talking about the VR agency, they are not in an administrative EN, but they are VR agency associated with the ticket program.

0:57:31.790 --> 0:57:32.340
Tamara Liddicoat [CTR]
And we do.

0:57:32.490 --> 0:57:36.820
Tamara Liddicoat [CTR]
Do we do work closely with the California VR agency?

0:57:37.290 --> 0:57:38.300
Tamara Liddicoat [CTR]
Does that answer your question.

0:57:39.630 --> 0:57:41.30
Wilson, Toni K - SCSEP
Hopefully that does Yvonne.

0:57:46.360 --> 0:57:46.800
Tamara Liddicoat [CTR]
OK.

0:57:41.40 --> 0:57:47.550
Wilson, Toni K - SCSEP
If not, if you can either jump on the call and say something, or yeah, there you go.

0:57:47.560 --> 0:57:48.130
Wilson, Toni K - SCSEP
Yes, it does.

0:57:48.140 --> 0:57:48.530
Wilson, Toni K - SCSEP
There you go.

0:57:48.540 --> 0:57:49.990
Wilson, Toni K - SCSEP
Even better, alright.

0:57:50.0 --> 0:57:57.920
Wilson, Toni K - SCSEP
And I see they put the links in the chat for you and then as we mentioned before, you also get a transcript and a copy of the slides.

0:57:57.930 --> 0:57:59.150
Wilson, Toni K - SCSEP
The slides did go out.

0:57:59.160 --> 0:58:3.90
Wilson, Toni K - SCSEP
So you have them pre this meeting, but we'll also be sending that out.

0:58:3.480 --> 0:58:3.990
Wilson, Toni K - SCSEP
I see.

0:58:4.0 --> 0:58:10.320
Wilson, Toni K - SCSEP
Tamara, you have a question about the administrative process for the public workforce employment networks under the ticket to work program.

0:58:12.420 --> 0:58:14.690
Tamara Liddicoat [CTR]
Say that again, I didn't hear what's.

0:58:13.650 --> 0:58:16.720
Wilson, Toni K - SCSEP
So it sounds like they're looking about the administrative process.

0:58:17.980 --> 0:58:25.590
Tamara Liddicoat [CTR]
For an administrative EN do we have someone that's interested in in understanding more about that, I think.

0:58:25.310 --> 0:58:26.870
Wilson, Toni K - SCSEP
That what you were looking for a timer.

0:58:29.480 --> 0:58:33.930
Wilson, Toni K - SCSEP
The administrative process for the public workforce, or you were just listing.

0:58:33.940 --> 0:58:35.270
Wilson, Toni K - SCSEP
It looks like maybe just listing.

0:58:33.930 --> 0:58:35.440
Tamara Liddicoat [CTR]
Ohh, I was just gonna.

0:58:35.450 --> 0:58:37.160
Tamara Liddicoat [CTR]
I was showing you.

0:58:35.280 --> 0:58:39.450
Wilson, Toni K - SCSEP
My apologies, got it, my fault.

0:58:37.170 --> 0:58:40.400
Tamara Liddicoat [CTR]
I was just saying I wanted to make sure that we included.

0:58:41.310 --> 0:58:44.200
Tamara Liddicoat [CTR]
Resources with the TEN.

0:58:44.210 --> 0:58:44.960
Tamara Liddicoat [CTR]
We have a TEN.

0:58:45.390 --> 0:58:45.530
Wilson, Toni K - SCSEP
Yeah.

0:58:45.310 --> 0:58:52.380
Tamara Liddicoat [CTR]
That's what that the Department of Labor developed for Workforce EN and then we also have a.

0:58:52.560 --> 0:58:59.120
Tamara Liddicoat [CTR]
A guide for Workforce ENs too, so I wanted to make sure that I included those links.

0:58:59.290 --> 0:59:3.500
Tamara Liddicoat [CTR]
So you have those because they were not in the presentation and they're super healthy.

0:59:4.470 --> 0:59:4.670
Wilson, Toni K - SCSEP
No.

0:59:3.890 --> 0:59:7.10
Tamara Liddicoat [CTR]
So if you're looking for a lot of detailed information that will help you a lot.

0:59:8.550 --> 0:59:9.900
Wilson, Toni K - SCSEP
Sounds perfect.

0:59:16.40 --> 0:59:16.360
Tamara Liddicoat [CTR]
Fun.

0:59:9.910 --> 0:59:17.340
Wilson, Toni K - SCSEP
Uh, I thought it might have been Friday the 13th, cause we're just having a lot of bad luck with technology today, but evidently it's only the 18th.

0:59:17.350 --> 0:59:20.650
Wilson, Toni K - SCSEP
So we are sorry about those updates.

0:59:21.570 --> 0:59:24.940
Wilson, Toni K - SCSEP
Uh, get this alright.

0:59:24.950 --> 0:59:27.560
Wilson, Toni K - SCSEP
So, uh, Olga, I see that we let you in.

0:59:28.130 --> 0:59:29.150
Wilson, Toni K - SCSEP
Sorry about the feedback.

0:59:29.160 --> 0:59:33.820
Wilson, Toni K - SCSEP
We've got all kinds of things going on, OK, I know you had a question and then you got knocked out.

0:59:33.830 --> 0:59:35.340
Wilson, Toni K - SCSEP
If you're on, did you wanna ask your question?

0:59:38.960 --> 0:59:42.330
Wilson, Toni K - SCSEP
If not, if you're not really know, you just got back in, I can loop back around.

0:59:42.840 --> 0:59:44.310
Wilson, Toni K - SCSEP
Let's start out with Crystal.

0:59:44.320 --> 0:59:59.530
Wilson, Toni K - SCSEP
I see you were saying if I'm understanding correctly, the payments go by milestones and take some time unless this has changed the benefits, the benefits are you have a pool of job seekers to leverage from.

0:59:59.580 --> 1:0:2.220
Wilson, Toni K - SCSEP
Like with VOC with VOC rehab.

1:0:4.190 --> 1:0:10.430
Wilson, Toni K - SCSEP
So just trying to make sure that, uh, Crystal, just making sure she's understanding around the uh payments that they go by milestones.

1:0:13.510 --> 1:0:13.730
Wilson, Toni K - SCSEP
OK.

1:0:10.800 --> 1:0:22.510
Tamara Liddicoat [CTR]
So payments are outcome based, meaning when the ticket holder achieves a certain milestone in their earnings, and we call that the truck first is the trial work level earnings.

1:0:22.860 --> 1:0:31.990
Tamara Liddicoat [CTR]

I don't have those at my fingertip, but we can certainly send you more information at which points you receive payments from the ticket program.

1:0:32.260 --> 1:0:36.990
Tamara Liddicoat [CTR]
But so once so if someone gets a job, they're starting to make those trial work.

1:0:37.0 --> 1:0:37.670
Tamara Liddicoat [CTR]
Wages.

1:0:37.900 --> 1:0:47.900
Tamara Liddicoat [CTR]
Then you'll start receiving uh payments from the program as people start reaching that point where they're going to.

1:0:49.920 --> 1:1:7.910
Tamara Liddicoat [CTR]
They're earning more, and so they're working off of their SSIS, SSRS, SDI then we the outcome payments start and those become umm you know those are monthly payments as long as you maintain that person is maintaining employment.

1:1:8.340 --> 1:1:9.740
Tamara Liddicoat [CTR]
So I hope that answers your question.

1:1:10.940 --> 1:1:19.510
Crystal Odom-McKinney
Yeah, yeah, I was just asking how I had the milestones changed so it may or may not.

1:1:20.20 --> 1:1:24.730
Crystal Odom-McKinney
So not all the candidates would be SCSEP eligible.

1:1:24.820 --> 1:1:41.600
Crystal Odom-McKinney
However, it would be a great pool of candidates to leverage from four season programming and then what happens guys is that their clock stops so they could work on a trial basis and if it works out kind of like with SCSEP, they can continue on and go off their benefits.

1:1:41.890 --> 1:1:42.140
Tamara Liddicoat [CTR]
Mm-hmm.

1:1:41.610 --> 1:1:43.760
Crystal Odom-McKinney
So it is like a win, win, win.

1:1:43.900 --> 1:1:48.160
Crystal Odom-McKinney
I'm just kind of bringing it to the SCSEP level for us, OK.

1:1:48.700 --> 1:1:49.850
Tamara Liddicoat [CTR]
Thank you for doing that.

1:1:49.860 --> 1:2:5.10
Tamara Liddicoat [CTR]
And again it is a win win because a lot of times when people try working more and they can discover they can earn more money, they're willing to kind of against risk that benefit payment while maintaining that those important health care benefits and.

1:2:5.20 --> 1:2:9.810
Tamara Liddicoat [CTR]
And I think I saw a question earlier about, you know, how can someone get back on benefits?

1:2:9.820 --> 1:2:11.960
Tamara Liddicoat [CTR]
Well, that's, you know, we have this thing called.

1:2:11.970 --> 1:2:24.520
Tamara Liddicoat [CTR]
It's a work incentive called expedited reinstatement, where if for any reason someone you know as needs to go back on that benefit due to their disability, you know it's easy back on.

1:2:24.570 --> 1:2:27.710
Tamara Liddicoat [CTR]
And so there's there are a lot of again, a lot of safety nets.

1:2:29.680 --> 1:2:30.330
Tamara Liddicoat [CTR]
Thank you, Crystal.

1:2:32.650 --> 1:2:33.100
Wilson, Toni K - SCSEP
Alright.

1:2:33.110 --> 1:2:37.60
Wilson, Toni K - SCSEP
Is there is there a maximum amount a person can earn with ticket to work?

1:2:38.610 --> 1:2:39.160
Tamara Liddicoat [CTR]
Nope.

1:2:39.210 --> 1:2:40.840
Tamara Liddicoat [CTR]
Well, there's a maximum.

1:2:40.850 --> 1:2:53.380
Tamara Liddicoat [CTR]
I mean, a lot of people want to, you know, not earn more than that, that, that level of earnings that's gonna, you know, begin to, you know, have them move off of their disability benefit.

1:2:53.390 --> 1:2:59.240
Tamara Liddicoat [CTR]
But as far as you know, the ticket program goes, you know, we want people to be earning as much as they possibly can.

1:3:1.170 --> 1:3:2.120
Grant-McGary, Sondra D - ETA
Without affecting.

1:3:10.700 --> 1:3:10.980
Grant-McGary, Sondra D - ETA
Yeah.

1:3:1.500 --> 1:3:12.230
Wilson, Toni K - SCSEP
Uh, and then someone I see Deb just asking if we can put the URL detailed info in the chat again.

1:3:12.240 --> 1:3:18.540
Wilson, Toni K - SCSEP
I know some people got kicked out and some of it is sending things arise.

1:3:18.550 --> 1:3:21.200
Wilson, Toni K - SCSEP
So for the tech team, we can just put that back in there.

1:3:21.210 --> 1:3:23.550
Wilson, Toni K - SCSEP
Again, I see Joshua.

1:3:23.560 --> 1:3:29.270
Wilson, Toni K - SCSEP
You would see that wages above the trial work period level be eligible for those payments.

1:3:29.920 --> 1:3:37.240
Wilson, Toni K - SCSEP
SCSEP is employment and earn income that counts against a ticket holders SSI SSDI benefits.

1:3:39.940 --> 1:3:45.970
Tamara Liddicoat [CTR]
Yes, I wanna say, yeah, if SCSEP wages above the trial work period level be eligible, yes.

1:3:48.370 --> 1:3:49.150
Tamara Liddicoat [CTR]
Excuse me, I'm sorry.

1:3:51.240 --> 1:3:55.690
Wilson, Toni K - SCSEP
Did that answer your question Josh, right, right.

1:3:57.40 --> 1:3:57.450
Wilson, Toni K - SCSEP
All right.

1:3:57.460 --> 1:4:0.450
Wilson, Toni K - SCSEP
And I think and the last kind of thing you just answered it before.

1:4:0.970 --> 1:4:3.720
Wilson, Toni K - SCSEP
So I don't what looks like we might some have something new.

1:4:4.730 --> 1:4:8.620
Wilson, Toni K - SCSEP
Uh, we just put in another of the link so the link is in there again.

1:4:8.880 --> 1:4:14.160
Wilson, Toni K - SCSEP
And as I said, we will also be sending out the transcript and the PowerPoint.

1:4:14.810 --> 1:4:17.860
Wilson, Toni K - SCSEP
You'll get those copies the PowerPoint was sent ahead of time.

1:4:18.130 --> 1:4:24.890
Wilson, Toni K - SCSEP
So while you're waiting, if you just check your email, you should have that in there and then the transcript will include all of this.

1:4:25.190 --> 1:4:28.460
Wilson, Toni K - SCSEP
I am very, very sorry to the team for the oops.

1:4:29.750 --> 1:4:30.450
Tamara Liddicoat [CTR]
One more question.

1:4:28.470 --> 1:4:30.590
Wilson, Toni K - SCSEP
It looks like there was one more question, Josh, have another quest.

1:4:32.680 --> 1:4:34.830
Joshua Wadsworth
So yeah, I just one other question.

1:4:35.700 --> 1:4:44.450
Joshua Wadsworth
I know this has changed a lot since my time working with an agency that was an EN back at the very beginning of the ticket to work.

1:4:44.460 --> 1:5:1.860
Joshua Wadsworth
Program 20 plus years ago, but we found it was really difficult to get the reimbursement payments on as well as oftentimes uh ticket holders had their ticket like automatically assigned to the state VOC rehab agency.

1:5:1.870 --> 1:5:16.170
Joshua Wadsworth
I think at the time and so lots of complications with things like uh, you know, meeting the bar to get the payment or doing work for somebody only to find out their ticket had been assigned to somebody else already and we couldn't get the payment or couldn't get all of it.

1:5:16.180 --> 1:5:23.160
Joshua Wadsworth
And I know there's been a lot of changes and improvements in some of that since I was more involved with it, but I just had a question about that.

1:5:23.170 --> 1:5:30.520
Joshua Wadsworth
How are there complications that the current ENs are having with things like that?

1:5:36.710 --> 1:5:36.960
Tamara Liddicoat [CTR]
It's.

1:5:31.270 --> 1:5:44.890
Joshua Wadsworth
UM, are there things that we would, we should maybe be aware of like that where our client, our sub clients might already have their ticket assigned to the VOC rehab agency and then it would be difficult to switch it over to us or things like that.

1:5:45.930 --> 1:6:24.650
Tamara Liddicoat [CTR]
So I'll just mention just really quickly because I know we're at time, but things have gotten a little more streamlined when you talk about the payments and you talk about those relationships with VR agencies and he ends, I mean, it's really we work really hard to try to make sure those relationships are good and that and the only thing I would say is that if you have a client that has there a ticket assigned and is

working with a VR agency and they've placed that individual on employment and they close that case successfully and you know that person that when that case gets closed, you can assign that ticket to your organization, to your EN with the obviously with the beneficiaries.

1:6:26.730 --> 1:6:29.220
Tamara Liddicoat [CTR]
Once beneficiaries' choice.

1:6:30.720 --> 1:6:30.970
Joshua Wadsworth
Right.

1:6:29.450 --> 1:6:34.480
Tamara Liddicoat [CTR]
But that's, you know, we really try to stress that relationship with DVR's and employment networks.

1:6:34.570 --> 1:6:36.30
Tamara Liddicoat [CTR]
So I hope that answers your question.

1:6:37.290 --> 1:6:37.590
Joshua Wadsworth
Thanks.

1:6:37.600 --> 1:6:38.90
Joshua Wadsworth
So thank you.

1:6:39.470 --> 1:6:39.600
Wilson, Toni K - SCSEP
Thank.

1:6:39.680 --> 1:6:40.370
Wilson, Toni K - SCSEP
Good question.

1:6:40.380 --> 1:6:40.870
Wilson, Toni K - SCSEP
Thank you.

1:6:41.300 --> 1:6:41.730
Wilson, Toni K - SCSEP
Alright.

1:6:41.740 --> 1:6:47.700
Wilson, Toni K - SCSEP
Olga I see that you were asking about the state and the state unit on aging being EN.

1:6:50.160 --> 1:6:50.650
Tamara Liddicoat [CTR]
Yes.

1:6:50.780 --> 1:6:51.880
Tamara Liddicoat [CTR]
Right Ann? Yes.

1:6:53.810 --> 1:6:54.80
Tamara Liddicoat [CTR]
Yes.

1:6:56.30 --> 1:6:57.280
Ann Lewandowski [CTR]
Yes.

1:6:55.790 --> 1:7:2.280
Wilson, Toni K - SCSEP
And then Thomas, Tom, I I see you have a non-ticket to work, so I will get to you in just a second.

1:7:2.290 --> 1:7:3.990
Wilson, Toni K - SCSEP
But I did want to thank the.

1:7:5.230 --> 1:7:9.480
Wilson, Toni K - SCSEP
Uh, the ticket to work team in reference to their presentation.

1:7:9.750 --> 1:7:11.140
Wilson, Toni K - SCSEP
This was very helpful.

1:7:11.230 --> 1:7:19.690
Wilson, Toni K - SCSEP
Once again, I know many of you have had some experience, but this is a good time to kind of reconnect and hopefully be able to use this as a resource on.

1:7:19.700 --> 1:7:32.380
Wilson, Toni K - SCSEP
There's some great contact information there and we can reach out if you have some additional questions, but we definitely thank you and your team for coming and speaking to the SCSEP group today.

1:7:32.390 --> 1:7:33.650
Wilson, Toni K - SCSEP
So we appreciate that.

1:7:33.730 --> 1:7:35.70
Tamara Liddicoat [CTR]
Thank you.

1:7:33.810 --> 1:7:35.380
Wilson, Toni K - SCSEP
And before I let you go, I know Tom.

1:7:35.390 --> 1:7:39.450
Wilson, Toni K - SCSEP
You said you had a question, but it was a non-ticket to work so I wanted to make sure you had a chance for that.

1:7:40.30 --> 1:7:40.340
Tom Long
Yeah.

1:7:40.350 --> 1:7:41.110
Tom Long
No, I appreciate it.

1:7:41.120 --> 1:7:49.570
Tom Long
Thank you so much and I know you were addressed earlier on at the start of the meeting that there be some GPMS releases and updates coming out in the near future.

1:7:49.580 --> 1:8:1.430
Tom Long
But I wasn't sure if there's anything you can comment on updates for the QPR reports, whether it's displaying year 22 or 23 and the availability of data that we can actually use.

1:8:2.0 --> 1:8:2.400
Wilson, Toni K - SCSEP
Yeah.

1:8:2.410 --> 1:8:5.70
Wilson, Toni K - SCSEP
No, that's definitely the big question.

1:8:5.80 --> 1:8:12.870
Wilson, Toni K - SCSEP
So basically what we're doing is that in our next release, we are doing kind of a hold back.

1:8:12.880 --> 1:8:18.230
Wilson, Toni K - SCSEP
So we can focus on what is happening with the QPRS to get those stabilized.

1:8:18.240 --> 1:8:23.30
Wilson, Toni K - SCSEP

You know the QPRS are done, but what's happening is every time we do a release, something keeps breaking.

1:8:23.480 --> 1:8:29.350
Wilson, Toni K - SCSEP
So we wanna just take a moment to stop, get that fixed and then move forward.

1:8:29.360 --> 1:8:30.940
Wilson, Toni K - SCSEP
So that's what we're working on right now.

1:8:31.430 --> 1:8:32.680
Wilson, Toni K - SCSEP
So I don't have a specific.

1:8:32.690 --> 1:8:33.820
Wilson, Toni K - SCSEP
So what will be in the update?

1:8:33.830 --> 1:8:39.140
Wilson, Toni K - SCSEP
We're doing an assessment on why that's happening, so we don't keep staying on this path.

1:8:39.150 --> 1:8:42.120
Wilson, Toni K - SCSEP
We're trying to kind of state take a step back and fix that.

1:8:42.450 --> 1:8:46.680
Wilson, Toni K - SCSEP
So I'll hopefully have much more updates at the next meeting.

1:8:46.850 --> 1:8:48.260
Wilson, Toni K - SCSEP
As you know, Ali Slaughter.

1:8:48.270 --> 1:8:58.950
Wilson, Toni K - SCSEP
She's on all of our GPMS calls and we also include this information in our newsletter so soon as we have some further information, we'll be able to get everyone that information.

1:9:0.60 --> 1:9:5.480
Wilson, Toni K - SCSEP
OK, I know it's not an ideal answer, but we are working as quickly as possible to get this fixed.

1:9:8.450 --> 1:9:9.70
Wilson, Toni K - SCSEP
All right.

1:9:9.120 --> 1:9:10.680
Wilson, Toni K - SCSEP
Any other questions before we go?

1:9:14.30 --> 1:9:15.610
Wilson, Toni K - SCSEP
And the state plans?

1:9:15.620 --> 1:9:19.40
Wilson, Toni K - SCSEP
Uh, that will also be coming out of this winter.

1:9:19.50 --> 1:9:20.240
Wilson, Toni K - SCSEP
So you'll see those.

1:9:20.630 --> 1:9:22.130
Wilson, Toni K - SCSEP
You'll see that also shortly.

1:9:22.140 --> 1:9:23.690
Wilson, Toni K - SCSEP
Just keep your eye out on grants.gov.

1:9:25.60 --> 1:9:27.100
Wilson, Toni K - SCSEP
Uh, alright, Josh.

1:9:29.620 --> 1:9:29.900
Joshua Wadsworth
I just.

1:9:29.170 --> 1:9:31.220
Wilson, Toni K - SCSEP
Or the Josh 1st and then Olga.

1:9:32.320 --> 1:9:32.630
Joshua Wadsworth
Thanks.

1:9:32.640 --> 1:9:44.500
Joshua Wadsworth
I just wanted to take a quick moment to say it was really great seeing everyone from national grantees, the DOL office, from the American Workforce Coalition this week at all of the equity summit events.

1:9:44.660 --> 1:9:46.990
Joshua Wadsworth
I apologize, I missed the first couple of minutes of the call.

1:9:51.920 --> 1:9:52.150
Wilson, Toni K - SCSEP
So.

1:9:47.0 --> 1:9:53.40
Joshua Wadsworth
I was returning from a hill visit and a antiwar protest broke out in streets were closed and things like that.

1:9:53.50 --> 1:9:55.980
Joshua Wadsworth
So it took a little longer to get back onto the call, but.

1:9:54.480 --> 1:9:56.190
Wilson, Toni K - SCSEP
I think it really is Friday.

1:9:56.370 --> 1:9:58.630
Wilson, Toni K - SCSEP
That's it, really is Friday the 13th.

1:9:57.770 --> 1:10:0.680
Joshua Wadsworth
Umm it I think it is.

1:10:0.690 --> 1:10:9.60
Joshua Wadsworth
I think it is, but and particularly just wanna say thanks to the RWC partners, National A.B.L.E., NCOA, NICOA, NAPCA.

1:10:9.440 --> 1:10:17.430
Joshua Wadsworth
They've all been with us out on the hill today advocating for the SCSEP program and all the great work that all of you are doing.

1:10:17.440 --> 1:10:22.10
Joshua Wadsworth
And so just wanted to make sure everybody was aware that that was going on as well.

1:10:22.20 --> 1:10:31.700
Joshua Wadsworth
So again, thanks to everybody who participated in that and the I posted the link to the videos and they'll be more videos posted throughout the week.

1:10:31.710 --> 1:10:33.900
Joshua Wadsworth
As soon as we have them ready to post on the website.

1:10:33.910 --> 1:10:34.570
Joshua Wadsworth
So thanks everybody.

1:10:35.810 --> 1:10:36.550
Wilson, Toni K - SCSEP
Thank you so much Josh.

1:10:36.560 --> 1:10:37.320
Wilson, Toni K - SCSEP
Yes, alright.

1:10:37.330 --> 1:10:38.420
Wilson, Toni K - SCSEP
Olga you have a question?

1:10:39.770 --> 1:10:40.480
Yulikova, Olga (ELD)
Yes.

1:10:40.570 --> 1:10:41.270
Yulikova, Olga (ELD)
Can you hear me?

1:10:41.680 --> 1:10:41.820
Wilson, Toni K - SCSEP
Yes.

1:10:42.360 --> 1:10:43.750
Yulikova, Olga (ELD)
Ohh, good, good, good.

1:10:43.320 --> 1:10:44.860
Wilson, Toni K - SCSEP
Yeah, I know it's been definitely.

1:10:43.800 --> 1:10:45.870
Yulikova, Olga (ELD)
I was struggling.

1:10:46.60 --> 1:10:49.230
Yulikova, Olga (ELD)
Thank you so much. State plan.

1:10:49.240 --> 1:10:51.350
Yulikova, Olga (ELD)
When is the due date on that one please?

1:10:52.230 --> 1:10:55.80
Wilson, Toni K - SCSEP
We don't have the due date yet, but those will be coming out.

1:10:55.390 --> 1:10:56.640
Wilson, Toni K - SCSEP
So just look out for that.

1:10:57.470 --> 1:10:57.820
Wilson, Toni K - SCSEP
TEGL.

1:10:57.830 --> 1:11:2.490
Wilson, Toni K - SCSEP
That'll be out shortly, so we'll let you know, but I don't have an exact due date at this time.

1:11:2.500 --> 1:11:3.660
Wilson, Toni K - SCSEP
That's still in its clearance stage.

1:11:5.20 --> 1:11:7.160
Yulikova, Olga (ELD)
But is there gonna be in this program year or next?

1:11:8.180 --> 1:11:12.430
Wilson, Toni K - SCSEP
It's a program year so it'll be out by, you know, like January.

1:11:12.440 --> 1:11:15.940
Wilson, Toni K - SCSEP
But so it's a winter thing, so it will be for program year 24.

1:11:17.820 --> 1:11:20.960
Yulikova, Olga (ELD)
So we have to complete it by program year 24.

1:11:23.60 --> 1:11:24.470
Yulikova, Olga (ELD)
OK, alright.

1:11:27.240 --> 1:11:27.480
Yulikova, Olga (ELD)
OK.

1:11:30.520 --> 1:11:31.520
Yulikova, Olga (ELD)
OK, alright.

1:11:32.300 --> 1:11:32.860
Yulikova, Olga (ELD)
Thank you. Thank.

1:11:21.880 --> 1:11:40.90
Wilson, Toni K - SCSEP
I don't have exact dates, so I'm not gonna be able to give you that right now, but it will be out in the winter with its very specific dates that you have to have those done and it and with the state, with the state plans, you know obviously we get those, we want those complete you know by June.

1:11:40.100 --> 1:11:41.690
Wilson, Toni K - SCSEP
So everyone can start for July.

1:11:41.760 --> 1:11:51.70
Wilson, Toni K - SCSEP
So we'll be working toward that date, but I know we have been kind of really crunch time and so we're working really hard to get these out earlier.

1:11:51.80 --> 1:11:53.830
Wilson, Toni K - SCSEP
So everyone has enough time to do with the things that they need to do.

1:11:53.840 --> 1:11:56.480
Wilson, Toni K - SCSEP
So we're trying to get this out this early in winter as possible.

1:11:56.880 --> 1:11:57.730
Yulikova, Olga (ELD)
OK, great. Thanks.

1:11:58.250 --> 1:11:58.980
Wilson, Toni K - SCSEP
Nope, no problem.

1:12:0.100 --> 1:12:0.700
Wilson, Toni K - SCSEP
All right.

1:12:2.530 --> 1:12:10.890
Wilson, Toni K - SCSEP
And then as you can see email in the chat, if you have questions about ticket to work, I just want to make sure I'm not missing any questions before we jump off.

1:12:11.900 --> 1:12:17.950
Wilson, Toni K - SCSEP
Lots of love for the equity summit is in the chat, so those of you that were there definitely check that out.

1:12:17.960 --> 1:12:21.460
Wilson, Toni K - SCSEP
Equitable distribution, equitable distribution information.

1:12:21.820 --> 1:12:30.450
Wilson, Toni K - SCSEP
We have a webinar that will be coming out at the end of this month and then followed by some directions and dates.

1:12:30.800 --> 1:12:39.690
Wilson, Toni K - SCSEP
Obviously the ED is very connected to our GPMS, so we just want to make sure things are stabilized before we get everybody going on that.

1:12:39.730 --> 1:12:41.210
Wilson, Toni K - SCSEP
But that will be coming out very shortly.

1:12:43.470 --> 1:12:45.700
Wilson, Toni K - SCSEP
Right, I think we've answered all the questions.

1:12:45.710 --> 1:12:47.300
Wilson, Toni K - SCSEP
Anybody on my team?

1:12:47.350 --> 1:12:48.90
Wilson, Toni K - SCSEP
Did I miss anything?

1:12:50.300 --> 1:12:57.710
Wilson, Toni K - SCSEP
Right now our uh ED Webinar is scheduled for Halloween, and we'll let you know if we do need to reschedule that for any reason.

1:12:57.720 --> 1:12:58.750
Wilson, Toni K - SCSEP
But that is the plan for now.

1:12:59.730 --> 1:13:5.710
Wilson, Toni K - SCSEP
So everyone is welcome to dress up and come and learn about Ed at that time.

1:13:6.730 --> 1:13:10.760
Wilson, Toni K - SCSEP
All right, everyone have a really good one and we'll talk very soon.

1:13:10.830 --> 1:13:12.200
Wilson, Toni K - SCSEP
Always good to see everybody.

1:13:12.270 --> 1:13:12.940
Wilson, Toni K - SCSEP
Be safe out there.

1:13:14.550 --> 1:13:15.20
Wilson, Toni K - SCSEP
Alright.

1:13:14.780 --> 1:13:15.180
Ann Lewandowski [CTR]
Thank you.

1:13:13.520 --> 1:13:15.870
Tamara Liddicoat [CTR]
Thank you so much. Bye.

1:13:15.30 --> 1:13:16.90
Wilson, Toni K - SCSEP
Bye. Bye bye.

1:13:16.310 --> 1:13:16.850
Grant-McGary, Sondra D - ETA
Bye everyone.

1:13:16.100 --> 1:13:16.900
Wilson, Toni K - SCSEP
Thanks again.

1:13:17.230 --> 1:13:17.560
Wilson, Toni K - SCSEP
Thanks.

1:13:17.570 --> 1:13:18.160
Wilson, Toni K - SCSEP
Ticket to work.

1:13:18.170 --> 1:13:18.840
Wilson, Toni K - SCSEP
We appreciate you.

1:13:19.390 --> 1:13:19.850
Tamara Liddicoat [CTR]
Thank you.

1:13:19.550 --> 1:13:20.420
Grant-McGary, Sondra D - ETA
Thanks everyone.

1:13:19.860 --> 1:13:20.670
Tamara Liddicoat [CTR]
We appreciate you too.

1:13:20.430 --> 1:13:21.190
Grant-McGary, Sondra D - ETA
Thanks.

1:13:21.720 --> 1:13:21.960
Tamara Liddicoat [CTR]
Bye, bye.
