Release Notes – Version 25.6.1

Release Date: March 31, 2026

These Release Notes provide information on GPMS Release 25.6.1 which includes several Enhancements to GPMS.

Enhancements

- Redesign of the **Most in Need/Waiver Factor Actions (MINWFA)** Report.
 - **MINWFA** report now has improved filtering in the UI and the exported report. Users will now be able to use the filters to select “All Participants” for a selected program year, “Only Current Active Participants” and “Only Exited Participants”.
 - The UI of the report has been streamlined for easier navigation and selection.
 - Users, particularly those from large grantees, should notice improvements in the time needed to generate and export the **MINWFA** Report.
 - Previously reported issues with the **MINWFA** report have been resolved
 - Dynamic summary section based on the filters.
- Authorized and Modified Positions have been updated to reflect National grantee changes in New Hampshire and Massachusetts effective 01/01/2026.

Known Issues

- None.
