SCSEP Monthly All Grantee Call Transcript – November 15, 2023

0:7:55.380 --> 0:7:56.620
Bronson, Bradley K - ETA CTR
The recording has started.

0:8:1.570 --> 0:8:2.350
Grant-McGary, Sondra D - ETA
Can you hear me, Bradley?

0:8:4.60 --> 0:8:4.240
Bronson, Bradley K - ETA CTR
Yes.

0:8:5.190 --> 0:8:5.720
Grant-McGary, Sondra D - ETA
Awesome.

0:8:5.790 --> 0:8:18.200
Grant-McGary, Sondra D - ETA
So since your cameras are off and you're currently muted, if you agree to be recorded at this time, you may turn on your camera and unmute yourself, at which time the agreement prompt will pop up on your screen where you can accept.

0:8:18.530 --> 0:8:20.300
Grant-McGary, Sondra D - ETA
So I'll give you a moment to do that.

0:8:20.710 --> 0:8:25.100
Grant-McGary, Sondra D - ETA
If you've unmuted yourself to agree to be recorded, please re mute yourself.

0:8:25.140 --> 0:8:27.70
Grant-McGary, Sondra D - ETA
You know, so that we can begin the meeting.

0:8:36.90 --> 0:8:37.260
Grant-McGary, Sondra D - ETA
So welcome.

0:8:37.270 --> 0:8:38.200
Grant-McGary, Sondra D - ETA
Welcome everyone.

0:8:38.210 --> 0:8:41.180
Grant-McGary, Sondra D - ETA
This is our November all grantee call.

0:8:41.430 --> 0:8:43.860
Grant-McGary, Sondra D - ETA
The agenda would have been emailed to you.

0:8:43.870 --> 0:8:48.320
Grant-McGary, Sondra D - ETA
I believe it was yesterday, so we're going to start off, I'll introduce myself.

0:8:48.330 --> 0:8:49.390
Grant-McGary, Sondra D - ETA
My name is Sondra.

0:8:49.590 --> 0:8:55.800
Grant-McGary, Sondra D - ETA
I am currently the National Office Liaison for Regions two and four.

0:8:55.870 --> 0:8:58.990
Grant-McGary, Sondra D - ETA
I previously was from over region.

0:8:59.40 --> 0:9:13.880
Grant-McGary, Sondra D - ETA
I was the known for region six that has been passed to my teammate, who was not here today, but Byron now covers regions three and six and I cover region two and four and I'd like to call it the hot potatoes.

0:9:13.890 --> 0:9:19.730
Grant-McGary, Sondra D - ETA
So I'm going to pass the hot potato to the SCSEP Unit Chief Toni, and then we will start our introductions.

0:9:19.740 --> 0:9:20.730
Grant-McGary, Sondra D - ETA
We're going to go.

0:9:20.840 --> 0:9:26.630
Grant-McGary, Sondra D - ETA
Unit chief, NOLs, TwoTech, BCT, and then we'll get started with our program announcements.

0:9:27.20 --> 0:9:28.190
Grant-McGary, Sondra D - ETA
So over to you, Tony.

0:9:29.160 --> 0:9:30.310
Wilson, Toni K - SCSEP
Ah, thank you so much.

0:9:30.320 --> 0:9:30.610
Wilson, Toni K - SCSEP
Sondra.

0:9:30.620 --> 0:9:31.390
Wilson, Toni K - SCSEP
Appreciate it.

0:9:31.400 --> 0:9:32.240
Wilson, Toni K - SCSEP
Hi everyone.

0:9:32.560 --> 0:9:35.780
Wilson, Toni K - SCSEP
This is Toni Wilson and good to see everyone.

0:9:35.790 --> 0:9:42.510
Wilson, Toni K - SCSEP
Good to see everyone's faces and I am the unit chief for SCSEP and welcome.

0:9:44.350 --> 0:9:45.570
Wilson, Toni K - SCSEP
I'll pass it over to Irene.

0:9:46.790 --> 0:9:48.940
Adams, Anita (Irene) - ETA
Let's see if you can see me now.

0:9:49.810 --> 0:9:56.190
Adams, Anita (Irene) - ETA
This is Irene Adams, and I am the NOL for the regions.

0:9:56.380 --> 0:9:57.700
Adams, Anita (Irene) - ETA
One in five.

0:9:58.970 --> 0:10:0.740
Slaughter, Alison S - ETA
Good afternoon, everyone.

0:10:0.750 --> 0:10:5.690
Slaughter, Alison S - ETA
I am Ali Slaughter, and I am the SCSEP lead for performance and reporting.

0:10:8.790 --> 0:10:9.970
Grant-McGary, Sondra D - ETA
And TwoTech.

0:10:13.350 --> 0:10:15.250
Barcley, Joyce M - ETA CTR
Hi, this is Joyce Barcley with TwoTech.

0:10:16.510 --> 0:10:17.150
Bronson, Bradley K - ETA CTR
Good afternoon.

0:10:17.160 --> 0:10:19.190
Bronson, Bradley K - ETA CTR
This is Bradley Bronson with TwoTech.

0:10:22.610 --> 0:10:25.20
Mauro, Kevin M - ETA CTR
Hello, this is Kevin Mauro also with TwoTech.

0:10:26.950 --> 0:10:27.750
McNeace, Meche - ETA CTR
Hi everyone.

0:10:27.760 --> 0:10:29.550
McNeace, Meche - ETA CTR
This is Michi McNeace with TwoTech.

0:10:33.150 --> 0:10:34.470
Grant-McGary, Sondra D - ETA
Did that bring us to BCT?

0:10:35.410 --> 0:10:36.240
Wilkins, Patricia A - ETA CTR
Oops, I'm sorry.

0:10:36.250 --> 0:10:37.20
Wilkins, Patricia A - ETA CTR
I was on mute.

0:10:37.30 --> 0:10:38.980
Wilkins, Patricia A - ETA CTR
This is Pat Wilkins with TwoTech.

0:10:39.660 --> 0:10:40.550
Grant-McGary, Sondra D - ETA
OK, awesome.

0:10:40.560 --> 0:10:41.800
Grant-McGary, Sondra D - ETA
I don't wanna leave anyone out.

0:10:41.840 --> 0:10:44.110
Grant-McGary, Sondra D - ETA
I know I have a tendency to forget people.

0:10:44.120 --> 0:10:45.810
Grant-McGary, Sondra D - ETA
We have such an effective team.

0:10:46.80 --> 0:10:46.640
Wilkins, Patricia A - ETA CTR
No worries.

0:10:46.20 --> 0:10:47.460
Grant-McGary, Sondra D - ETA
I'm still getting used to all the names.

0:10:50.0 --> 0:10:51.570
Grant-McGary, Sondra D - ETA
So now we're at BCT.

0:10:53.840 --> 0:10:54.750
Tina Ward
Thank you, Sondra.

0:10:54.830 --> 0:10:55.470
Tina Ward
Hi everyone.

0:10:55.480 --> 0:10:56.950
Tina Ward
This is Tina Ward with BCT.

0:11:2.320 --> 0:11:5.480
Grant-McGary, Sondra D - ETA
OK, and Charter Oaks.

0:11:6.160 --> 0:11:7.510
Ron Schack
Hi everybody, it's Ron Schack.

0:11:7.520 --> 0:11:8.430
Ron Schack
From the Charter Oak Group.

0:11:9.100 --> 0:11:9.720
Grant-McGary, Sondra D - ETA
Ron.

0:11:11.60 --> 0:11:12.250
Grant-McGary, Sondra D - ETA
I forgot you.

0:11:12.820 --> 0:11:14.650
Grant-McGary, Sondra D - ETA
I am so sorry, Ron.

0:11:14.660 --> 0:11:15.480
Grant-McGary, Sondra D - ETA
We're gonna go with you.

0:11:15.540 --> 0:11:16.40
Grant-McGary, Sondra D - ETA
You know what?

0:11:16.50 --> 0:11:20.20
Grant-McGary, Sondra D - ETA
Next time you're going first, we will not be forgetting right next time so.

0:11:19.630 --> 0:11:20.300
Ron Schack
Sounds good.

0:11:22.10 --> 0:11:30.480
Grant-McGary, Sondra D - ETA
Alright, so if everyone from the National Office and contractors that have the opportunity to introduce themselves, we're gonna move over to the program announcements.

0:11:31.170 --> 0:11:37.840
Grant-McGary, Sondra D - ETA
As you all hopefully should be aware that the WIOA state plan guidance was issued on October 31st.

0:11:37.850 --> 0:11:40.940
Grant-McGary, Sondra D - ETA
It's TEGL, 04-23.

0:11:40.990 --> 0:11:50.700
Grant-McGary, Sondra D - ETA
We're going to go ahead and put that in the chat for anyone who hasn’t had the opportunity to review it yet, but please go ahead and get that covered.

0:11:50.930 --> 0:11:51.850
Grant-McGary, Sondra D - ETA
I can stop talking.

0:11:52.860 --> 0:11:57.390
Grant-McGary, Sondra D - ETA
And we're going to move over to the equitable distribution webinar Ali.

0:11:57.760 --> 0:12:0.140
Slaughter, Alison S - ETA
Thank you, Sondra.

0:12:0.480 --> 0:12:2.650
Slaughter, Alison S - ETA
You all received an email.

0:12:2.660 --> 0:12:17.970
Slaughter, Alison S - ETA
We have rescheduled the equitable distribution webinar that will now be taking place on Tuesday, December 12th from 2:00 to 3:30 PM Eastern Time and the invitation is not quite out there yet, but it will be forthcoming.

0:12:17.980 --> 0:12:21.540
Slaughter, Alison S - ETA
So look out for an email invitation from workforce GPS for that webinar.

0:12:24.320 --> 0:12:26.200
Grant-McGary, Sondra D - ETA
OK, awesome.

0:12:26.700 --> 0:12:30.120
Grant-McGary, Sondra D - ETA
Now let me get back to the agenda.

0:12:31.260 --> 0:12:35.130
Grant-McGary, Sondra D - ETA
Now we're going to do the grants management updates, and we're gonna.

0:12:35.280 --> 0:12:37.630
Grant-McGary, Sondra D - ETA
We're gonna hand it over to Irene.

0:12:39.140 --> 0:12:40.290
Adams, Anita (Irene) - ETA
Thank you, Sondra.

0:12:40.580 --> 0:12:44.270
Adams, Anita (Irene) - ETA
First I wanna address some state plan reminders.

0:12:45.760 --> 0:12:58.640
Adams, Anita (Irene) - ETA
Speaking of the real estate planning guidance issued on October 31st, please, we want to remind our grantees, especially the national grantees, that you're required to work with the States and the state planning process.

0:12:59.670 --> 0:13:13.300
Adams, Anita (Irene) - ETA
And remember that when if you're not going to work with the states, they the governor has the right to request that you not compete in their state during competition.

0:13:13.310 --> 0:13:23.730
Adams, Anita (Irene) - ETA
So you wanna work with your States and figure out some your best practices in servicing the areas in which you are serving.

0:13:24.280 --> 0:13:26.990
Adams, Anita (Irene) - ETA
And another reminder is that the.

0:13:29.930 --> 0:13:39.80
Adams, Anita (Irene) - ETA
Standalone plan guidance is in their approval process and will be out soon and we expect early winter so be on the lookout for that.

0:13:39.190 --> 0:13:48.260
Adams, Anita (Irene) - ETA
But those of you who have received the those of you who are submitting sorry, I got new braces the other day.

0:13:48.270 --> 0:13:54.140
Adams, Anita (Irene) - ETA
So I sound like Sylvester, those of you who are submitting standalone plans.

0:13:54.350 --> 0:14:3.630
Adams, Anita (Irene) - ETA
Please, please, please review that WIOA guidance as well because not much there's not much change in either or.

0:14:3.740 --> 0:14:10.30
Adams, Anita (Irene) - ETA
So be sure you review that so that you are up to par on what it needs to be submitted for state plan guidance.

0:14:12.90 --> 0:14:20.280
Adams, Anita (Irene) - ETA
Grant amendment reminders grantee should now you should now have your amendment one to your PY 2023 grants.

0:14:21.70 --> 0:14:28.360
Adams, Anita (Irene) - ETA
That amendment should include any corrected documents and or your OSR approval letters.

0:14:29.240 --> 0:14:33.240
Adams, Anita (Irene) - ETA
If you did not have corrected documents, then you don't.

0:14:33.250 --> 0:14:41.510
Adams, Anita (Irene) - ETA
You probably don't have to worry about having anything other than your OSR approvals, but if you did neither, then you don't have an amendment one.

0:14:41.650 --> 0:14:52.550
Adams, Anita (Irene) - ETA
If you have not received an amendment one with corrected documents and or OSR approvals, then you should contact your FPO immediately.

0:14:52.560 --> 0:15:4.760
Adams, Anita (Irene) - ETA
This stuff needs to be incorporated into your grant file so that with grant solutions, changing ever so often, we need to make sure that your grant files are up to date intact.

0:15:4.810 --> 0:15:13.180
Adams, Anita (Irene) - ETA
So if you have not received them, please, please, please follow up with your FPO to make sure that you receive it quarterly.

0:15:13.230 --> 0:15:20.450
Adams, Anita (Irene) - ETA
9130s, which is our financials and quarterly narrative reports were due on November 14th.

0:15:20.460 --> 0:15:21.570
Adams, Anita (Irene) - ETA
That was yesterday.

0:15:22.750 --> 0:15:31.80
Adams, Anita (Irene) - ETA
Please be reminded that you will need to submit a quarterly financial report and the QNR for each of your funding streams.

0:15:31.370 --> 0:15:52.20
Adams, Anita (Irene) - ETA
That means not only do you need to file a core QNR and 9130 for the first quarter, for your main grant, but if you also have the technical grant, that's what we call it the IT grant, then you will need to submit documentation for those reports as well.

0:15:52.390 --> 0:15:54.240
Adams, Anita (Irene) - ETA
They are not two separate.

0:15:54.250 --> 0:16:3.980
Adams, Anita (Irene) - ETA

Those are two separate grants that have two separate grant numbers, and you will need to file the documentation for both of them, and that's all I have, Sondra OK.

0:16:5.440 --> 0:16:8.290
Grant-McGary, Sondra D - ETA
Ali, are you next?

0:16:8.300 --> 0:16:9.110
Slaughter, Alison S - ETA
No, no.

0:16:9.160 --> 0:16:9.850
Grant-McGary, Sondra D - ETA
OK, I was.

0:16:9.860 --> 0:16:10.980
Grant-McGary, Sondra D - ETA
I just want you to talk.

0:16:10.990 --> 0:16:11.810
Grant-McGary, Sondra D - ETA
That's what that is.

0:16:11.820 --> 0:16:13.130
Grant-McGary, Sondra D - ETA
I like listening to Ali.

0:16:13.200 --> 0:16:15.590
Grant-McGary, Sondra D - ETA
So now we're going to move over to TwoTech.

0:16:16.20 --> 0:16:23.770
Grant-McGary, Sondra D - ETA
I'm gonna pass it over to Michi and or is it Kevin between the team?

0:16:23.490 --> 0:16:25.40
McNeace, Meche - ETA CTR
It'll be it'll be both.

0:16:25.80 --> 0:16:26.360
McNeace, Meche - ETA CTR
It'll be both of us.

0:16:23.840 --> 0:16:27.260
Grant-McGary, Sondra D - ETA
I'm gonna pass it over to the TwoTech team, OK?

0:16:26.370 --> 0:16:28.120
McNeace, Meche - ETA CTR
Yeah, but Kevin's gonna kick it off.

0:16:30.130 --> 0:16:31.50
Grant-McGary, Sondra D - ETA
Well, you guys got it.

0:16:34.590 --> 0:16:35.370
Mauro, Kevin M - ETA CTR
Hello everyone.

0:16:35.380 --> 0:16:37.320
Mauro, Kevin M - ETA CTR
Thanks again for joining us this afternoon.

0:16:37.330 --> 0:16:38.500
Mauro, Kevin M - ETA CTR
I'm gonna keep my update.

0:16:38.550 --> 0:16:39.780
Mauro, Kevin M - ETA CTR
Really, really quick.

0:16:40.370 --> 0:16:53.900
Mauro, Kevin M - ETA CTR
Just to let you know that all of the recordings that we are posting online, including events like the one you're in right now, we are making sure we have them up and available to you in a timely fashion.

0:16:54.110 --> 0:17:11.990
Mauro, Kevin M - ETA CTR
And so if some member of your staff or part of your whole crew needs to go back and review one of these calls or some of our, umm, the live events, they are available quickly for you and for them.

0:17:12.520 --> 0:17:24.270
Mauro, Kevin M - ETA CTR
Otherwise we are trying to make sure that you are up to date with all of the resources that are available on the COP and throughout workforce GPS.

0:17:24.360 --> 0:17:35.570
Mauro, Kevin M - ETA CTR
We're trying to make sure as much as many resources are available to you as we can get in front of you on the COP, so there's always something new.

0:17:36.310 --> 0:17:44.60
Mauro, Kevin M - ETA CTR
Make sure you're logged in and checking it out whenever you can, but that's all that we have for the COP this month.

0:17:44.410 --> 0:17:49.50
Mauro, Kevin M - ETA CTR
I will pass it over to Michi for the vLive schedule update.

0:17:50.690 --> 0:17:51.920
McNeace, Meche - ETA CTR
Thank you, Kevin.

0:17:52.210 --> 0:17:53.820
McNeace, Meche - ETA CTR
Mine is extremely brief.

0:17:53.830 --> 0:18:5.860
McNeace, Meche - ETA CTR
I just wanted to remind everybody that we will have our next GPMS vLive on November 29th it'll go from 2:00 to 3:30 as usual Eastern Time.

0:18:5.920 --> 0:18:13.990
McNeace, Meche - ETA CTR
I don't know if anybody, please join and then we will have the next one after that would be on December 13th.

0:18:14.600 --> 0:18:17.110
McNeace, Meche - ETA CTR
So, so far, we've had a great turnout.

0:18:17.120 --> 0:18:18.890
McNeace, Meche - ETA CTR
I want to thank everybody for coming.

0:18:18.900 --> 0:18:28.510
McNeace, Meche - ETA CTR
The last few have been great sessions because there's been a lot of engagement to the point where we actually our 90-minute session went into a 2 hour session which was awesome.

0:18:28.720 --> 0:18:35.530
McNeace, Meche - ETA CTR
It was awesome because there was a lot of questions and you know, a lot of, you know, can we show them how to get from A-Z?

0:18:35.540 --> 0:18:44.140
McNeace, Meche - ETA CTR
So I wanted to say thank you and we hope we can just keep up the energy on the GPMS vLive and that's all I have for today as well.

0:18:45.670 --> 0:18:46.280
Grant-McGary, Sondra D - ETA
Awesome.

0:18:46.290 --> 0:18:46.680
Grant-McGary, Sondra D - ETA
Awesome.

0:18:46.690 --> 0:18:47.740
Grant-McGary, Sondra D - ETA
Thank you TwoTech.

0:18:48.350 --> 0:18:53.500
Grant-McGary, Sondra D - ETA
So now we are going to move over to the GPMS updates.

0:18:53.670 --> 0:18:56.660
Grant-McGary, Sondra D - ETA
We're going to I'm going to finally get to here.

0:18:57.460 --> 0:18:58.180
Grant-McGary, Sondra D - ETA
It's Ali now.

0:18:58.190 --> 0:18:58.800
Grant-McGary, Sondra D - ETA
It's Ali now.

0:18:58.810 --> 0:19:1.920
Grant-McGary, Sondra D - ETA
It's Ali, but and then Ali's gonna hand it over to BCT.

0:19:2.390 --> 0:19:2.990
Slaughter, Alison S - ETA
Awesome.

0:19:3.70 --> 0:19:4.40
Slaughter, Alison S - ETA
Thank you, Sondra.

0:19:4.290 --> 0:19:13.820
Slaughter, Alison S - ETA
So before BCT gets into some of the finer details of GPMS, I just quickly wanted to highlight the email that you all received yesterday from SCSEP help.

0:19:14.430 --> 0:19:23.720
Slaughter, Alison S - ETA
The deadline for completing your end of your data in GPMS is for program year 22 is set for Friday, December 8th.

0:19:24.470 --> 0:19:32.360
Slaughter, Alison S - ETA
There is lots more detail in the email that you should review, but I wanted to mention a few reports and resources that can assist you in this process.

0:19:32.830 --> 0:19:55.440
Slaughter, Alison S - ETA

So grantees received a PY 22 end of year QPR analysis on November 8th with data as of September 30th, so that was sort of the preliminary and of your analysis that you all received that as well as an updated paid hours report that was received on October 23rd can be helpful in reviewing your data.

0:19:55.910 --> 0:20:2.420
Slaughter, Alison S - ETA
And as always, if you have any questions, please reach out to the SCSEP technical assistance team and CC your FPO.

0:20:3.520 --> 0:20:11.570
Slaughter, Alison S - ETA
And before, in Byron's absence, I'll also add that the November edition of the GPMS newsletter is now available.

0:20:11.960 --> 0:20:25.530
Slaughter, Alison S - ETA
It highlights the upcoming ED reports and the webinar that will be in December, and then it also reviews some of the vLive information and has all the links that you need if you want to review any of those sessions.

0:20:26.750 --> 0:20:31.430
Slaughter, Alison S - ETA
And with that, I will turn it over to the BCT team.

0:20:33.680 --> 0:20:34.510
Tina Ward
Thank you, Ali.

0:20:34.520 --> 0:20:35.920
Tina Ward
Good afternoon, everyone.

0:20:35.990 --> 0:20:39.110
Tina Ward
A couple of topics we'd like to hit this month.

0:20:39.640 --> 0:20:42.450
Tina Ward
First, the GPMS releases.

0:20:42.860 --> 0:20:57.90
Tina Ward
I'm sure everyone received the email earlier today stating that 2.2 is slated for release this afternoon, and once the release is verified in production, grantees will be notified via email with the complete release notes.

0:20:57.700 --> 0:21:8.430
Tina Ward

Just a quick side note release 2.2 will also include the fix for users to make any corrections or continue entry to the PY 22 paid hours.

0:21:9.330 --> 0:21:12.400
Tina Ward
Next topic is technical assistance.

0:21:12.410 --> 0:21:51.520
Tina Ward
I'm gonna reiterate what Ali just stated for finalizing your PY 22 data in GPMS and as Ali stated, the deadline is December 8th or 2023 and right now this is a firm deadline and any PY 22 data entered after that date will not be included in any grantee evaluation performance or any subsequent reporting and analysis for PY 22 and the final QPR for PY 22 is to be shared with grantees on Friday, January the 19th of 2024.

0:21:51.530 --> 0:21:57.710
Tina Ward
Please take note of that and also please be aware that the QPR data is still under analysis.

0:21:57.880 --> 0:22:2.800
Tina Ward
In QPRS will not be frozen until that data is confirmed to be accurate.

0:22:4.40 --> 0:22:8.840
Tina Ward
Uh, one last thing on technical assistance, I believe we sent this out in an email.

0:22:8.850 --> 0:22:10.160
Tina Ward
The but the SCSEP help.

0:22:10.170 --> 0:22:24.920
Tina Ward
Telephone number was disconnected earlier this month in November, so please continue to submit your specific GPMS questions to SCSEPhelp.zendesk.com and moving on to the tips of the month.

0:22:25.80 --> 0:22:32.670
Tina Ward
We have a couple here for one is for existing users and one is for requesting new users for existing users.

0:22:32.720 --> 0:22:42.170
Tina Ward
If a user has an email change due to a name or domain change, a new login.gov is created.

0:22:42.270 --> 0:22:50.850
Tina Ward
Please note that any pending tasks or notifications will not automatically transfer to the new user account.

0:22:50.930 --> 0:23:11.350
Tina Ward
So please keep in mind if you need to change your name, your email name or your domain, please clean up all your pending or outstanding task and notifications prior to creating a new login.gov or A requesting a new GPMS user account for new users.

0:23:11.620 --> 0:23:21.550
Tina Ward
We've also been learning that new users who fail to create a login.gov correctly prior to the developers creating their GPS account.

0:23:21.680 --> 0:23:47.790
Tina Ward
Users will eventually experience some issues and so to ensure for a smooth new user experience, GA's must now submit a screenshot of a user's login.gov from the welcome page or the GPMS profile page displaying the username and also keep in mind that the user accounts are case sensitive and that's all for BCT.

0:23:47.800 --> 0:23:51.910
Tina Ward
Today, I'll turn it over to Ron for any updates he may have. Thanks.

0:23:52.650 --> 0:23:53.730
Ron Schack
Alright, thanks.

0:23:53.740 --> 0:23:54.30
Ron Schack
Thanks.

0:23:54.40 --> 0:23:54.400
Ron Schack
Thanks.

0:23:54.470 --> 0:23:55.240
Ron Schack
Hi everybody.

0:23:55.630 --> 0:23:58.200
Ron Schack
Umm, just a few quick updates.

0:23:58.470 --> 0:24:2.900
Ron Schack
We are now on to wave two of the participant customer satisfaction survey.

0:24:3.780 --> 0:24:8.970
Ron Schack
Uh, so that's we, we got a really good response rate from wave one.

0:24:8.980 --> 0:24:12.30
Ron Schack
So, uh, we're encouraged about that.

0:24:12.740 --> 0:24:25.670
Ron Schack
Umm, we are still working on some technical details regarding the sample for the host agency digital survey as soon as we get that straightened out, we will be sending.

0:24:28.530 --> 0:24:34.470
Ron Schack
Information to the grantees to be validated and.

0:24:34.860 --> 0:24:41.840
Ron Schack
Updated as appropriate and you'll receive instructions regarding that and just.

0:24:44.770 --> 0:24:46.710
Ron Schack
To connect the dots so a little bit.

0:24:47.430 --> 0:24:59.50
Ron Schack
Because we are not finalizing the PY 22 data until December 8th and we won't have the data.

0:25:0.820 --> 0:25:5.150
Ron Schack
For analysis until uh January 19th.

0:25:5.720 --> 0:25:12.310
Ron Schack
Umm, we will not be doing the grantee performance evaluation prior to that time.

0:25:12.460 --> 0:25:22.20
Ron Schack
So the grantee performance evaluation will be done immediately following the solidification of the data on January 19.

0:25:22.670 --> 0:25:24.200
Ron Schack
And that's all I have.

0:25:26.700 --> 0:25:27.470
Grant-McGary, Sondra D - ETA
Thanks, Ron.

0:25:27.480 --> 0:25:29.90
Grant-McGary, Sondra D - ETA
Thanks Tina.

0:25:29.340 --> 0:25:36.830
Grant-McGary, Sondra D - ETA
So this is actually one of my favorite portions, even though it's been a little difficult getting everyone to speak up.

0:25:36.840 --> 0:25:38.690
Grant-McGary, Sondra D - ETA
But we are going to get better at that.

0:25:38.700 --> 0:25:42.860
Grant-McGary, Sondra D - ETA
That's going to be our New Year's resolution, but this is where we do grantee highlights.

0:25:42.870 --> 0:25:45.950
Grant-McGary, Sondra D - ETA
This is your time to ask questions.

0:25:46.150 --> 0:25:46.910
Grant-McGary, Sondra D - ETA
Take yourself off.

0:25:46.920 --> 0:25:47.240
Grant-McGary, Sondra D - ETA
Mute.

0:25:47.250 --> 0:25:55.310
Grant-McGary, Sondra D - ETA
You can put your camera on if you want to tell us some things that's going on great at your grantees, some even some difficulties.

0:25:55.320 --> 0:26:3.910
Grant-McGary, Sondra D - ETA
We can take those too, but if anyone has any highlights or questions that they like to ask go ahead, take yourself off.

0:26:3.980 --> 0:26:5.40
Grant-McGary, Sondra D - ETA
Is that how we wanna do that?

0:26:5.210 --> 0:26:11.650
Grant-McGary, Sondra D - ETA
Let's just take yourself off mute and talk to us, and you're free to use the chat as well.

0:26:11.700 --> 0:26:12.170
Grant-McGary, Sondra D - ETA
Yes.

0:26:12.240 --> 0:26:14.490
Grant-McGary, Sondra D - ETA
Likewise, Yep, the chat is always open.

0:26:17.330 --> 0:26:19.580
Grant-McGary, Sondra D - ETA
And queue the jeopardy music.

0:26:31.100 --> 0:26:31.470
Eldon Hayman
Sure.

0:26:31.750 --> 0:26:32.730
Eldon Hayman
I had a question.

0:26:32.790 --> 0:26:36.370
Eldon Hayman
This is Eldon Hayman, was Center for workforce inclusion.

0:26:38.270 --> 0:26:38.510
Grant-McGary, Sondra D - ETA
Hi.

0:26:38.60 --> 0:26:40.210
Eldon Hayman
Uh, you mentioned I.

0:26:40.270 --> 0:26:40.530
Eldon Hayman
Hey.

0:26:40.540 --> 0:26:46.670
Eldon Hayman
Hey Max and Crystal and Deon and two, I used to work with them in in a.

0:26:46.680 --> 0:26:47.330
Eldon Hayman
In another life.

0:26:50.230 --> 0:26:58.260
Eldon Hayman
But yeah, but my question is you mentioned 2 reports that were due yesterday, the 9130 and another report.

0:26:59.300 --> 0:27:1.570
Adams, Anita (Irene) - ETA
The quarterly narrative report.

0:27:3.590 --> 0:27:5.380
Adams, Anita (Irene) - ETA
The quarterly narrative reports.

0:27:6.820 --> 0:27:7.160
Eldon Hayman
OK.

0:27:7.500 --> 0:27:8.130
Adams, Anita (Irene) - ETA
They are.

0:27:8.140 --> 0:27:15.880
Adams, Anita (Irene) - ETA
They were due to your FPO with a copy to grants.scsepdocs@dol.gov yesterday.

0:27:16.760 --> 0:27:24.480
Eldon Hayman
But yeah, we did the 9130s, but I'm not sure about the other one I that might be a program report.

0:27:25.580 --> 0:27:26.620
Adams, Anita (Irene) - ETA
Yes, it is.

0:27:26.630 --> 0:27:28.240
Adams, Anita (Irene) - ETA
And please be reminded.

0:27:28.410 --> 0:27:29.780
Adams, Anita (Irene) - ETA
Thank you for bringing that up.

0:27:29.790 --> 0:27:42.530
Adams, Anita (Irene) - ETA
Please be reminded that if you received an ATSS, umm approval, then you have to report how the progress of that ATSS in your quarterly narrative reports.

0:27:45.130 --> 0:27:46.120
Eldon Hayman
OK, cool.

0:27:46.230 --> 0:27:46.590
Eldon Hayman
Thank you.

0:27:47.670 --> 0:27:48.570
Adams, Anita (Irene) - ETA
You're welcome.

0:27:55.270 --> 0:27:56.530
Adams, Anita (Irene) - ETA
Any other question, right?

0:27:59.540 --> 0:28:1.270
Mcfield, Donti (DOES)
Hi, this is Donti Mcfield.

0:28:4.180 --> 0:28:4.570
Adams, Anita (Irene) - ETA
Donti.

0:28:5.600 --> 0:28:6.670
McField, Donti (DOES)
Yes, hi.

0:28:7.70 --> 0:28:7.350
Adams, Anita (Irene) - ETA
Hi.

0:28:6.780 --> 0:28:13.950
McField, Donti (DOES)
I had a question or really a comment regarding the returning citizen formerly incarcerated waiver.

0:28:15.20 --> 0:28:15.530
McField, Donti (DOES)
It doesn't.

0:28:34.280 --> 0:28:34.470
Adams, Anita (Irene) - ETA
Yeah.

0:28:15.540 --> 0:28:35.410
McField, Donti (DOES)
Making a recommendation because when that came down, there wasn't a lot of it didn't seem like there was a lot of communication with the Department of Aging because as you all know, we only can place these seniors and nonprofit and government agencies that often have, especially the Department of Aging centers.

0:28:35.580 --> 0:28:38.570
McField, Donti (DOES)
They have requirements where individuals with backgrounds.

0:28:38.950 --> 0:28:42.320
McField, Donti (DOES)
I'm certain backgrounds aren't even allowed to work in there.

0:28:42.430 --> 0:28:45.470
McField, Donti (DOES)
Nutrition programs, dining centers.

0:28:45.570 --> 0:28:53.350
McField, Donti (DOES)
So it's just made it extremely difficult even with the government agencies placing some of these individuals.

0:28:53.360 --> 0:29:21.550
McField, Donti (DOES)
So you know, I would just recommend that when things like that come out that we meet with the Department of Aging and talk to them about how that may impact, you know, the services that we're providing them or seeing if they could have some type of, you know, program for those types of seniors to be placed there because again, it's been very difficult placing those customers in the agencies that we are permitted to.

0:29:21.560 --> 0:29:30.430
McField, Donti (DOES)
If I was able to place them in for profit, I would have no problems because I could place them at apartment complexes and you know, all kinds of places.

0:29:30.440 --> 0:29:38.650
McField, Donti (DOES)
But the requirement to place them in nonprofit or government agencies really create a problem or some difficulty.

0:29:38.660 --> 0:29:40.930
McField, Donti (DOES)
I would say for that population.

0:29:41.930 --> 0:29:42.420
Grant-McGary, Sondra D - ETA
It's.

0:29:42.930 --> 0:29:43.140
Grant-McGary, Sondra D - ETA
I'm.

0:29:43.150 --> 0:29:43.500
Grant-McGary, Sondra D - ETA
I'm sorry.

0:29:43.510 --> 0:29:43.720
Grant-McGary, Sondra D - ETA
What?

0:29:43.730 --> 0:29:45.480
Grant-McGary, Sondra D - ETA
This is Donti. Correct?

0:29:45.850 --> 0:29:46.380
Adams, Anita (Irene) - ETA
Yeah.

0:29:46.430 --> 0:29:46.920
Grant-McGary, Sondra D - ETA
Hey.

0:29:46.900 --> 0:29:48.190
McField, Donti (DOES)
Yes, ma'am. Hi.

0:29:46.990 --> 0:29:49.360
Grant-McGary, Sondra D - ETA
Hey, Donti, this is this is, this is Sondra.

0:29:50.940 --> 0:30:9.620
Grant-McGary, Sondra D - ETA
When the exit, when the extra waiver came down, when I was in the grantee world, when that extra waiver came down, one of the things that we had to kind of shift our focus to is actually recruiting post agencies that actually have focus on reentry.

0:30:9.630 --> 0:30:12.400
Grant-McGary, Sondra D - ETA
There are a lot of nonprofit organizations.

0:30:13.270 --> 0:30:14.880
Grant-McGary, Sondra D - ETA
Maybe not necessarily.

0:30:14.890 --> 0:30:23.40
Grant-McGary, Sondra D - ETA
So it's targeting the host that when you say placement, are you referring to placement at host agencies or placement and employment?

0:30:25.800 --> 0:30:26.460
McField, Donti (DOES)
Host agencies.

0:30:27.90 --> 0:30:27.980
Grant-McGary, Sondra D - ETA
Host agencies.

0:30:28.60 --> 0:30:41.30
Grant-McGary, Sondra D - ETA

So just a suggestion is trying to identify and target host agencies that do have opportunities for reentry for our reentry people.

0:30:41.460 --> 0:30:42.0
Grant-McGary, Sondra D - ETA
Umm.

0:30:42.880 --> 0:30:46.730
Grant-McGary, Sondra D - ETA
Participants so that you do have a place to place them.

0:30:46.860 --> 0:30:47.570
Grant-McGary, Sondra D - ETA
There's also.

0:30:49.700 --> 0:30:53.80
Grant-McGary, Sondra D - ETA
Pardon, I know and and when I say it, don't cringe but.

0:30:54.860 --> 0:31:11.420
Grant-McGary, Sondra D - ETA
This also helps when you start to build the relationship with your AJCs and also working, and I'm not sure Donti if you are a national or state grantee. State, OK DC. So, these OK ohh my region hey.

0:31:13.460 --> 0:31:20.850
Grant-McGary, Sondra D - ETA
I guess but so reach out to me rephrase, your FPO.

0:31:20.860 --> 0:31:21.650
Grant-McGary, Sondra D - ETA
Copy your FPO.

0:31:21.660 --> 0:31:38.350
Grant-McGary, Sondra D - ETA
You're welcome to reach out to me and copy your FPO or to your FPO and copy me and we can start looking into some AJCs in the area that actually do not AJCs excuse me, nonprofits in the area that actually cater to our reentry participants.

0:31:38.360 --> 0:31:40.70
Grant-McGary, Sondra D - ETA
Reentry participants.

0:31:40.600 --> 0:31:44.850
Grant-McGary, Sondra D - ETA
It's not a quick fix, but it is one avenue that we can explore.

0:31:47.60 --> 0:31:47.920
McField, Donti (DOES)
Thank you very much.

0:31:59.370 --> 0:31:59.610
Grant-McGary, Sondra D - ETA
Yeah.

0:31:46.360 --> 0:32:2.680
Wilson, Toni K - SCSEP
And the only thing I would, I only thing I would add to that is within our office here, Office of Workforce Investment, we actually work with our reentry program.

0:32:3.370 --> 0:32:11.780
Wilson, Toni K - SCSEP
So we will reach out to them and reference to because they're facing, you know, they do that 24 hours.

0:32:11.870 --> 0:32:15.880
Wilson, Toni K - SCSEP
They're facing similar problems, so see if we can bring some best practices.

0:32:15.890 --> 0:32:17.320
Wilson, Toni K - SCSEP
And TA the field.

0:32:17.520 --> 0:32:25.770
Wilson, Toni K - SCSEP
So we will bring this issue to see, but we definitely hear you in reference to you know working with the with our other partners and reference to what the options are.

0:32:30.520 --> 0:32:33.290
Grant-McGary, Sondra D - ETA
Ok and thanks, Toni, I wanna make sure.

0:32:33.480 --> 0:32:38.350
Grant-McGary, Sondra D - ETA
So we got, we have some statements and questions in the chat.

0:32:38.360 --> 0:32:41.30
Grant-McGary, Sondra D - ETA
So I don't wanna miss anyone.

0:32:41.420 --> 0:32:41.810
Grant-McGary, Sondra D - ETA
I see.

0:32:41.820 --> 0:32:42.90
Grant-McGary, Sondra D - ETA
Hello.

0:32:42.100 --> 0:32:42.330
Grant-McGary, Sondra D - ETA
Hello.

0:32:42.340 --> 0:32:42.490
Grant-McGary, Sondra D - ETA
Hello.

0:32:42.500 --> 0:32:43.470
Grant-McGary, Sondra D - ETA
OK, so here we go.

0:32:43.480 --> 0:32:48.10
Grant-McGary, Sondra D - ETA
It says hi everyone, I'm Deb Delman from operation A.B.L.E here.

0:32:48.20 --> 0:32:52.180
Grant-McGary, Sondra D - ETA
Very interested in anyone's experience in low minimum wage states.

0:32:52.190 --> 0:32:55.480
Grant-McGary, Sondra D - ETA
With enrollments we are we are, we are making progress.

0:32:55.490 --> 0:32:59.280
Grant-McGary, Sondra D - ETA
But if you're interested in peer to peer conversation, please be in touch.

0:32:59.290 --> 0:33:10.240
Grant-McGary, Sondra D - ETA
So she's reaching out, which is encouraged to talk to other grantees about how they're facing certain challenges.

0:33:10.470 --> 0:33:10.900
Grant-McGary, Sondra D - ETA
We also.

0:33:12.790 --> 0:33:13.470
Grant-McGary, Sondra D - ETA
Have.

0:33:15.420 --> 0:33:16.840
Grant-McGary, Sondra D - ETA
We have December.

0:33:16.990 --> 0:33:18.30
Grant-McGary, Sondra D - ETA
See, that's Maximilian.

0:33:18.40 --> 0:33:20.490
Grant-McGary, Sondra D - ETA
I don't want to skip anyone. Umm.

0:33:22.900 --> 0:33:26.570
Grant-McGary, Sondra D - ETA
I see Samantha, rather than reading.

0:33:28.820 --> 0:33:30.410
Grant-McGary, Sondra D - ETA
Doesn't really seem like a question.

0:33:30.420 --> 0:33:31.310
Grant-McGary, Sondra D - ETA
It's a statement.

0:33:31.400 --> 0:33:50.810
Grant-McGary, Sondra D - ETA
I will say if for anyone that has not submitted their quarter submitted their quarterly narratives or your 9130, please reach out to your FPO to give it so that there can be an estimated time on when that's going to be.

0:33:50.820 --> 0:33:52.450
Grant-McGary, Sondra D - ETA
Your information is going to be submitted.

0:33:53.80 --> 0:33:54.920
Grant-McGary, Sondra D - ETA
I see that you're saying you just got.

0:33:54.970 --> 0:34:1.800
Grant-McGary, Sondra D - ETA
You just started, so there is some delay your point of contact should be your FPO on getting all that information submitted.

0:34:6.800 --> 0:34:9.350
Grant-McGary, Sondra D - ETA
Is there someone I could get in ohh.

0:34:9.360 --> 0:34:9.970
Grant-McGary, Sondra D - ETA
You want someone?

0:34:10.40 --> 0:34:10.280
Grant-McGary, Sondra D - ETA
Yep.

0:34:10.290 --> 0:34:12.760
Grant-McGary, Sondra D - ETA
You're FPO that would be who would what?

0:34:12.950 --> 0:34:13.950
Grant-McGary, Sondra D - ETA
Samantha B.

0:34:14.20 --> 0:34:15.30
Adams, Anita (Irene) - ETA
Samantha, from where?

0:34:15.80 --> 0:34:15.840
Grant-McGary, Sondra D - ETA
Samantha. Where?

0:34:15.850 --> 0:34:16.110
Grant-McGary, Sondra D - ETA
What?

0:34:16.120 --> 0:34:17.770
Grant-McGary, Sondra D - ETA
What grantee are you from?

0:34:17.840 --> 0:34:19.100
Grant-McGary, Sondra D - ETA
If you don't mind coming off mute.

0:34:24.640 --> 0:34:28.970
Grant-McGary, Sondra D - ETA
Tennessee Region, 3 region three. OK.

0:34:33.170 --> 0:34:35.600
Grant-McGary, Sondra D - ETA
Channah.

0:34:35.690 --> 0:34:39.420
Grant-McGary, Sondra D - ETA
So you're point of contact will be Channah and that would be your FPO.

0:34:39.430 --> 0:34:42.190
Grant-McGary, Sondra D - ETA
And your national office liaison is Byron.

0:34:43.990 --> 0:34:48.50
Grant-McGary, Sondra D - ETA
I can we actually put their emails?

0:34:48.60 --> 0:34:50.800
Grant-McGary, Sondra D - ETA
Yeah, addresses in the chat for Samantha B.

0:34:51.300 --> 0:34:51.600
Grant-McGary, Sondra D - ETA
Awesome.

0:34:52.930 --> 0:34:57.50
Grant-McGary, Sondra D - ETA
I see you have some more issues about minimum wage.

0:34:58.510 --> 0:34:59.820
Grant-McGary, Sondra D - ETA
Some BCT questions.

0:34:59.830 --> 0:35:3.420
Grant-McGary, Sondra D - ETA
On December 8th this is Maximilian.

0:35:3.430 --> 0:35:17.480
Grant-McGary, Sondra D - ETA
On December 8th, what time do we need to have our PY 22 data finalized in GPMS.

0:35:17.490 --> 0:35:21.500
Slaughter, Alison S - ETA
Tina provided an answer unless we're told differently, it will be close of business on the on the 8th. Yep, Eastern Time.

0:35:24.50 --> 0:35:25.560
Grant-McGary, Sondra D - ETA
This is Crystal from Easter Seals.

0:35:25.570 --> 0:35:33.760
Grant-McGary, Sondra D - ETA
Hey Crystal, I know there are some grantees exploring prevailing wage we are not, but I'll let others chime in.

0:35:33.890 --> 0:35:36.230
Grant-McGary, Sondra D - ETA
Ohh I see what you were doing there.

0:35:38.750 --> 0:35:40.840
Wilson, Toni K - SCSEP
This is Toni.

0:35:40.850 --> 0:35:43.360
Wilson, Toni K - SCSEP
I would just add to the prevailing wage comment.

0:35:43.370 --> 0:35:56.440
Wilson, Toni K - SCSEP

Definitely still a hearing everyone and I know that there are a few of you out there that you know we hope to bring into kind of hear what some of your experiences.

0:35:56.930 --> 0:36:7.220
Wilson, Toni K - SCSEP
But please note that we are working very hard behind the scenes here to provide some guidance around prevailing wage.

0:36:7.970 --> 0:36:9.220
Wilson, Toni K - SCSEP
So we will keep you posted.

0:36:9.490 --> 0:36:16.550
Wilson, Toni K - SCSEP
So as soon as we have some more that I'm in a position to talk about.

0:36:16.560 --> 0:36:25.220
Wilson, Toni K - SCSEP
But we are working behind the scenes to get that information out, including, you know, hearing and what is working in the field.

0:36:25.550 --> 0:36:32.320
Wilson, Toni K - SCSEP
But please, that doesn't stop or change the peer sharing, but just wanted to add that layer that that's what's happening.

0:36:36.330 --> 0:36:36.690
Grant-McGary, Sondra D - ETA
OK.

0:36:39.500 --> 0:36:39.870
Grant-McGary, Sondra D - ETA
And.

0:36:41.880 --> 0:36:45.20
Grant-McGary, Sondra D - ETA
I don't see any unanswered questions.

0:36:46.130 --> 0:36:48.0
Grant-McGary, Sondra D - ETA
Is there anything else?

0:36:50.50 --> 0:36:53.480
Wilson, Toni K - SCSEP
Yeah, I do have a one other thing that I like to add.

0:36:54.70 --> 0:37:3.420
Wilson, Toni K - SCSEP

I know, I believe I've mentioned this before, but I really would love to come out and see some of your programs see them in action.

0:37:3.430 --> 0:37:44.310
Wilson, Toni K - SCSEP
And so as we move into 2024, not just myself, my team also, but definitely speaking in reference myself and also some of my leadership we have umm, you know, new staff also such as Heidi Costa who I know you've worked with Steve and so Heidi would be Steve's Supervisor and she's somewhat new to the SCSEP world and would love to be able to kind of go out and see some so if anyone is interested in highlighting please let me know.

0:37:44.320 --> 0:37:55.40
Wilson, Toni K - SCSEP
I'd love to hear maybe if you have a best practice that you'd want me to think about and you know, we'll reach out to you if you know you're one of the sites that we hope we get to see.

0:37:55.770 --> 0:38:3.380
Wilson, Toni K - SCSEP
But opportunity for travel and definitely like to see things on the ground.

0:38:3.390 --> 0:38:4.910
Wilson, Toni K - SCSEP
So just kind of putting that out there.

0:38:7.290 --> 0:38:7.870
Wilson, Toni K - SCSEP
Thanks Sondra.

0:38:9.0 --> 0:38:10.750
Grant-McGary, Sondra D - ETA
No, no worries.

0:38:10.760 --> 0:38:11.470
Grant-McGary, Sondra D - ETA
If there are no.

0:38:13.810 --> 0:38:16.770
Grant-McGary, Sondra D - ETA
More questions I'm slightly distracted.

0:38:16.780 --> 0:38:17.960
Grant-McGary, Sondra D - ETA
I'm also looking at the chat.

0:38:17.970 --> 0:38:19.540
Grant-McGary, Sondra D - ETA
I saw something that came through.

0:38:20.110 --> 0:38:27.970
Grant-McGary, Sondra D - ETA
We would like, I know that the agenda mentions that Wednesday, December 20th is our next all grantee call.

0:38:28.440 --> 0:38:33.860
Grant-McGary, Sondra D - ETA
However, Toni, if you could provide some additional feedback on.

0:38:34.350 --> 0:38:35.80
Wilson, Toni K - SCSEP
Ah yes.

0:38:35.90 --> 0:38:41.100
Wilson, Toni K - SCSEP
So basically, we will most likely cancel that meeting so everyone can have their holiday breaks.

0:38:41.110 --> 0:38:51.320
Wilson, Toni K - SCSEP
However, if we do have any major updates, we will see if we can get something done earlier, so we'll make that decision within the coming week and send out some notice.

0:38:51.850 --> 0:38:58.50
Wilson, Toni K - SCSEP
So right now I we're keeping it on there, but I would plan that we most likely will meet again in January.

0:38:59.360 --> 0:39:4.90
Wilson, Toni K - SCSEP
If uh, if updates can't be done best through on an email format?

0:39:7.550 --> 0:39:8.110
Grant-McGary, Sondra D - ETA
Thank you.

0:39:10.390 --> 0:39:10.700
Grant-McGary, Sondra D - ETA
Yeah.

0:39:10.750 --> 0:39:36.90
Grant-McGary, Sondra D - ETA
One I do, I actually have one last thing with everyone I know everyone had just submitted their QNR's, but just to encourage everyone that is actually in addition to reporting on everything that you've got a report on for the QNR, that's also a great opportunity to put in writing your best practices your and you know what's success stories that the events that you're having.

0:39:36.220 --> 0:39:42.970
Grant-McGary, Sondra D - ETA
So that when we are reviewing them as NOLs, we can relay that information to our superiors.

0:39:43.160 --> 0:39:55.870
Grant-McGary, Sondra D - ETA
We have the newsletter that we'd like to start highlighting, so do not shy away from bragging about yourselves on those QNR's missed this one, but if you haven't already submitted it, you know go heavy on the bragging.

0:39:55.880 --> 0:39:56.20
Grant-McGary, Sondra D - ETA
OK.

0:39:57.120 --> 0:40:5.360
Grant-McGary, Sondra D - ETA
And if we have no other questions, uh, we'll let our unit chief close our unit chief close this out.

0:40:6.430 --> 0:40:6.920
Wilson, Toni K - SCSEP
Alright.

0:40:6.930 --> 0:40:8.320
Wilson, Toni K - SCSEP
Well, thank you everyone.

0:40:8.330 --> 0:40:10.720
Wilson, Toni K - SCSEP
I appreciate each of you.

0:40:10.730 --> 0:40:17.120
Wilson, Toni K - SCSEP
I know everyone's been very patient in reference to working with, you know, our various systems and structures.

0:40:17.570 --> 0:40:32.620
Wilson, Toni K - SCSEP
I'm looking forward to 2024 and also looking forward to meeting everyone at our webinar in December on the equitable distribution and in the meantime, Happy Holidays to everyone.

0:40:32.710 --> 0:40:40.930
Wilson, Toni K - SCSEP
If we don't get to talk in person, please know that we're all thinking of you and the hard work that you're doing, and we'll see you in the new year.

0:40:42.480 --> 0:40:42.860
Grant-McGary, Sondra D - ETA
Thanks.

0:40:42.140 --> 0:40:44.420
Wilson, Toni K - SCSEP
Thanks everyone and thanks Sondra for facilitating.

0:40:45.730 --> 0:40:46.850
Grant-McGary, Sondra D - ETA
Thank you for having me.
