| ► Product Description                                  | This one-slide postcard on the GreenPOWER program and BGAF was done at the request of the DOL for the December 2010 ARRA conference.                                                                                                                           |
| ► File and Folder Names that Correspond to the Product | 01.ARRAConference.BGAFPostcard                                                                                                                                                                                                                                 |
| ► Program and Product Context                          | The BlueGreen Alliance Foundation's GreenPOWER provided trianing to unemployed and incumbent manufacturing workers on green manufacturing techniques. This postcard informed conference participants about the BlueGreen Alliance Foundation and its programs. |
| ► Target Population                                    | ARRA grantees conference                                                                                                                                                                                                                                       |
| ► Dissemination Audience                               | BlueGreen Alliance Foundation staff                                                                                                                                                                                                                            |
| ► Other Information                                    | The GreenPOWER program consists of seven courses including one eight-hour overview workshop and six eight-hour single subject courses. These courses can be taken individually or partiicpants can complete the complete Green Specialist 48-hour program.     |
