

Jobs4Jersey.com **Your on-ramp to a new job**

With smart technology and a new approach to job matching, **Jobs4Jersey.com** can help you find job opportunities that meet your unique set of skills and experience.

Jobs4Jersey.com also helps employers find YOU faster by matching your resume to their job posting.

Jobs4Jersey.com includes:

- Over 150,000 job opportunities in NJ or within 50 miles of the state
- Job postings from more than 2,400 job sources together in one place

Jobs4Jersey.com's cutting-edge technology delivers employment matches that are highly relevant to your employment goals. **Jobs4Jersey.com** analyzes career transitions, learns the skills required for every job and the success patterns from millions of resumes, and applies that knowledge to your job search. **Jobs4Jersey.com** will also help you find jobs in the green economy.

Jobs4Jersey.com searches more than 150,000 job postings in a single search, and sends you an e-mail when it identifies a good fit.

• **Upload your resume**

If you already have a resume, you can simply upload it to **Jobs4Jersey.com**. With just a few clicks, you are part of the state's online talent bank. The site can also help you improve your resume by suggesting skills and other qualifications you may have overlooked.

• **Build your resume**

If you don't have a resume, **Jobs4Jersey.com** can help, too. Tell **Jobs4Jersey.com** about your work experience and education and let its intuitive resume builder "interview" you online to create your most effective resume. The system helps you include the keywords and phrases that employers use in their job descriptions — another way **Jobs4Jersey.com** gets relevant job matches.

• **Finding job opportunities**

Once your resume is in the system, **Jobs4Jersey.com** identifies job opportunities that meet your specific skills, experience and

education. You can also do your own job search using keywords and other criteria even though the system is continually scanning real-time jobs on thousands of job sites for you.

• **Working for you all the time**

Once your resume is part of the **Jobs4Jersey.com** database, the system automatically starts working for you. When **Jobs4Jersey.com** finds a suitable match, it alerts you by e-mail.

• **How do your skills compare?**

Jobs4Jersey.com can show you the qualifications of people who were hired for the kinds of jobs you're looking for. By comparing their skills with yours, you can identify any "gaps" that could slow your success.
