**The Industry focus of your project:** Multiple Industries - Green Sector

**Grant End Date:** June 30, 2011

**Name of your Federal Project Officer:** Jean Grochowski

**Key contact involved in developing the product:** Keith Ewald, P.O. Box 1618, Columbus, Ohio 43216-1618; 614-466-9820; [keith.ewald@jfs.ohio.gov](mailto:keith.ewald@jfs.ohio.gov)

**Product Name of Product Package:** Green Energy Sector Crosswalk Tool

**Product Number:** 7

**Product Type:** Reports and Databases

**Complete Product Description:** This tool provides a crosswalk from the general green energy sectors of 1) Renewable Energy and Alternative Fuels, 2) Energy Efficiency, 3) Research Design and Consulting Services, 4) Biosciences, 5) Manufacturing Green Products and/or Green Technology, and 6) Advanced Energy to detailed 6 digit industry listings and corresponding industry statistics.

**File and Folder Names:** This tool s posted at <http://ohiolmi.com/asp/Green/CrossWalkTool.htm>

**Program and Product Context:** The green movement discourse tends to discuss the green business environment in board clusters of industries, with little often provided on the specific industry makeup of those clusters or the industry statistical trends in employment and wages. This tool takes key green clusters for Ohio and provides the crosswalk to industry details.

**Target Groups:** Education and Workforce Development Leaders and Service Providers and Businesses

**Dissemination Audience:** Education and Workforce Development Leaders and Service Providers and Businesses

**Other Information:** This tool is posted on Ohio’s LMI website at <http://ohiolmi.com/asp/Green/CrossWalkTool.htm>
