GreenPOWER

Free Green Training for Workers that Saves Employers Money

GreenPOWER teaches current and future manufacturing workers the skills they need to save businesses time and money by "greening up" their workplace.

With GreenPOWER's **FREE** training, workers learn to:

- **Increase company productivity;**
- **Reduce waste in the manufacturing process;**
- **Lower energy and water use;**
- **Decrease air pollution; and**
- **Implement a comprehensive sustainability program.**

GreenPOWER also provides scholarships to employers or course participants in order to let them pursue additional hard skills training from customized training providers and other institutions.

Some of our training partners include:

Alexandria Technical & Community College
Anoka Technical College
Anoka-Ramsey Community College
Dakota County Technical College
Dunwoody College of Technology
Hibbing Community College
Mesabi Range Community & Technical College
Minneapolis Community & Technical College
Minnesota West Community & Technical College
Ridgewater College
Riverland Community College
Saint Paul College
South Central College
