EMPLOYMENT AND TRAINING ADMINISTRATION
UNITED STATES DEPARTMENT OF LABOR

"This workforce solution was funded by a grant awarded under the President's Community-Based Job Training Grants as implemented by the U.S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implies, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This solution is copyrighted by the institution that created it. Internal use by an organization and/or personal use by an individual for non-commercial purposes is permissible. All other uses require the prior authorization of the copyright owner."

Eggtastic Easter Workshop - April 3, 10:00 a.m. - 12:00 p.m.

The Easter bunny has not been feeling well, and needs someone to take his place and save Easter. This workshop is the next in our special Holiday Workshop series specially geared so that you and your preschoolers (3-5 years) can enjoy celebrating holidays together. Each participant will not only enjoy a day full of memories, but this educational pleasurable experience will also include crafts, snacks, a story, and a certificate to bring home!

Space is limited - additional cost. For more information, please contact our Reservation Department at 407-514-2112.

Mission: Nutrition 3 - April 17, 11:30 a.m. - 3:30 p.m.

"The Rise Of The Machines" - This annual event focuses on the importance of health and nutrition through multiple activities including free health screenings, hands-on activities, and contests throughout the day. In addition to the emphasis on career opportunities in the growing field of healthcare, the event will spotlight on the advancements in medical technology, particularly highlighting simulation. Local colleges and universities will be on hand to showcase and offer different programs in a large variety of fields in the healthcare industry.

Dr. Ying Competition - April 23 - 25, 2010

For over a decade, Dr. Nelson Ying and the Orlando Science Center have rewarded Central Florida's brightest young science minds with the prestigious "Ying Prize" and a \$5,000 scholarship. This competition is one of the few to also recognize the winner's teacher and school with prizes and goes a long way to fulfilling the Science Center's mission to inspire science learning for life.

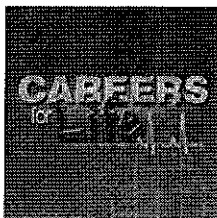

Astronomy Day - April 24, 11:00 a.m. - 9:00 p.m.

This global event is shared by astronomy experts, hobbyists and those curious about worlds beyond. The Science Center will host a variety of activities to support Astronomy Day, including observatory viewings, in order to encourage guests to explore the universe. Experts will be on hand to answer questions, debate or even just help you stargaze!

Careers for Life - Now Testing, Full Opening on April 17

With information on careers in respiratory therapy, occupational therapy, radiology, physical therapy, EMTs, and more, Careers for Life is packed with information on a multitude of careers in healthcare. Through multi-media kiosks, films and even SimMan, a life-sized computer simulated patient, you'll get a firsthand look at some of the hottest career fields in the market.

Super Service Center - Now Open on Level 2

The beloved Super Service Center has returned after being tuned-up with a new paint job and home. Now located on Level 2 inside All Aboard, the pretend auto shop will offer hands-on activities with all the tools needed for little mechanics to have fun while they play mechanic in this make believe auto shop. Kids will have fun sorting, matching, and problem-solving as they use different tools and parts to fill work works.
