

6 REASONS TO BECOME A TRADESPERSON:

1. Working in a Trade industry is the perfect choice for anyone who likes:

- The idea of not being confined to a desk
 - Physical work
 - Using their hands to create things
 - On-the-job learning
 - Being part of a team environment
2. Diversity in the workplace can start with you! 3. You would be helping meet the skills

shortage and the demand for tradespeople. 4. Women are known to be adaptable, trainable, and are great problem solvers; they are also reliable, have a great eye for detail and are committed to getting the job done. 5. Gain a nationally recognized Trade Qualification and earn while you learn! 6. WHY NOT?!

WOMEN Earn Good Money With APPRENTICESHIP

Are you ready to earn while you learn?

Start on the Road Toward Your Economic Independence The electrical contracting industry is constantly evolving with emerging and solar, wind, and other renewable energy technologies. IEC Chesapeake gives you the opportunity to pursue a career that is interesting and offers well-paid work.

Wider Opportunities for Women (WOW) In our efforts to increase female representation in the industry, we continually recruit WOW's clients. For more than 45 years, WOW has helped women embark into the non-traditional skills trades, into our apprenticeship program and successfully place them with our member contractors. While WOW helps you build a bridge to economic security, IEC Chesapeake helps you bridge the gap into our growing industry.
