

Current UI Claimant Outreach

308 contacted in June

- Pulled statewide list of recent UI claimants who also appear on older affected worker lists
- Trade Act Navigators called and emailed to promote TAA Tech Pilot
- Case Managers assist with evaluating potential use of Oregon's Training Unemployment Insurance program for those not eligible for TRA benefits
- Confirmed that workers are easier to reach and engage when currently claiming

Future build

- Weekly automated data pulls sent to Trade Act Navigators in local workforce areas for timely personalized outreach after one week of new claim paying out
