Executive Summary

Event Title: Grantee Performance Management System (GPMS) Training - Admin Console
Date: 03/10/2023
Moderator: Byron Kline
Speakers: *Michi McNeace, Joyce Barcley, & Patricia Wilkins*

The next event in our GPMS grantee training series will go into greater depth on the functions and use of the Admin Console.

The focus of this webinar will be on the essentials of each Admin Console button and its purpose. Users will have an understanding on how to use these functionalities as it relates to their specific user roles.
