

HOW AMERICAN JOB CENTERS SET YOU UP FOR SUCCESS

American Job Centers, also known as one-stop centers, provide services to job seekers around the country, including veterans, youth and laid-off workers. Nearly 2,300 AJCs nationwide help people look for open positions and answer employment-related questions. Here's how the centers can set you up for long-term success.

FREE CAREER RESOURCES UNDER ONE ROOF

AJCs offer many resources to support your job search, all under one roof and free of charge. Experienced career counselors can help you identify your interests, assess your skills and advise you on in-demand roles and training opportunities. Services vary by location but can include:

JOB SEARCH TOOLS AND RESOURCES

- ✓ We provide resource rooms with phones, internet and resume writing tools.
- ✓ We offer practice interview sessions and skills testing.
- ✓ We share resources on employers and salaries.
- ✓ We host informative employment workshops.

ACCOMMODATIONS AND BENEFITS

- ✓ We connect you to resources on disability accommodations for work and educational settings.
- ✓ We provide information about benefits like SNAP, financial assistance and Medicaid.
- ✓ We offer guidance on filing for unemployment insurance.

TRAINING AND EDUCATION

- ✓ We help you access training to boost your skills.
- ✓ We guide you to Adult Basic Education and high school equivalency (HSE) exams.
- ✓ We provide information on certifications that make your resume stand out.
- ✓ We connect you to apprenticeship programs with a mix of instruction and on-the-job training.
